Volume 7

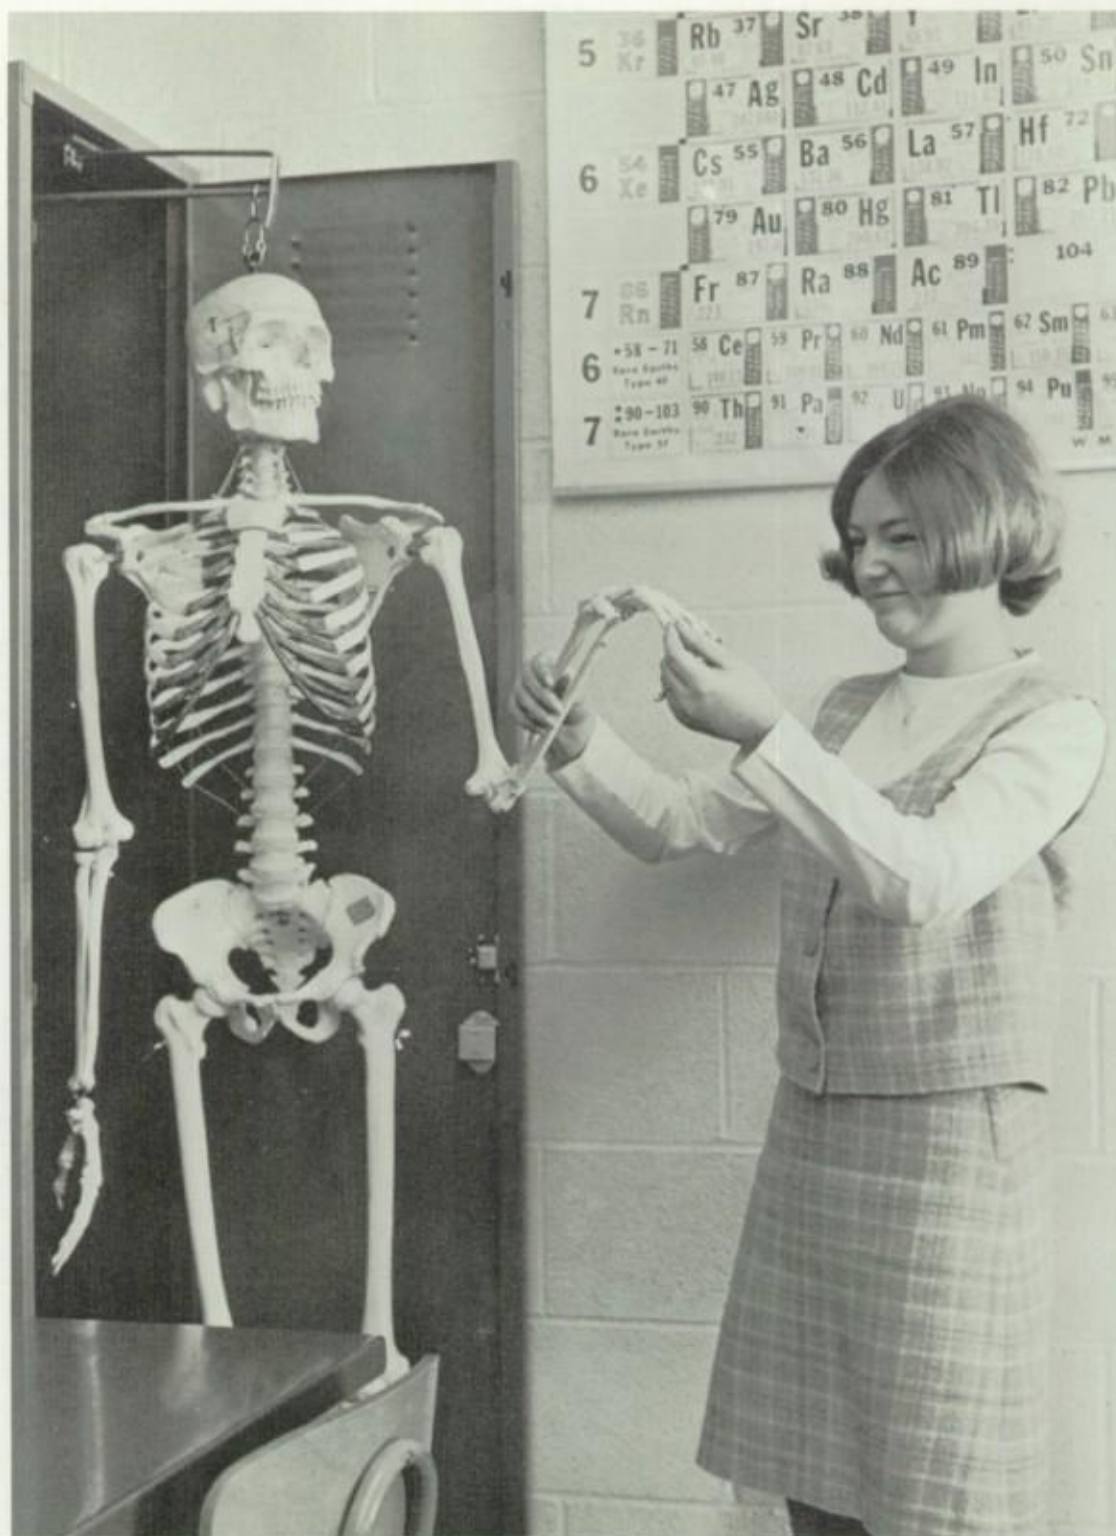

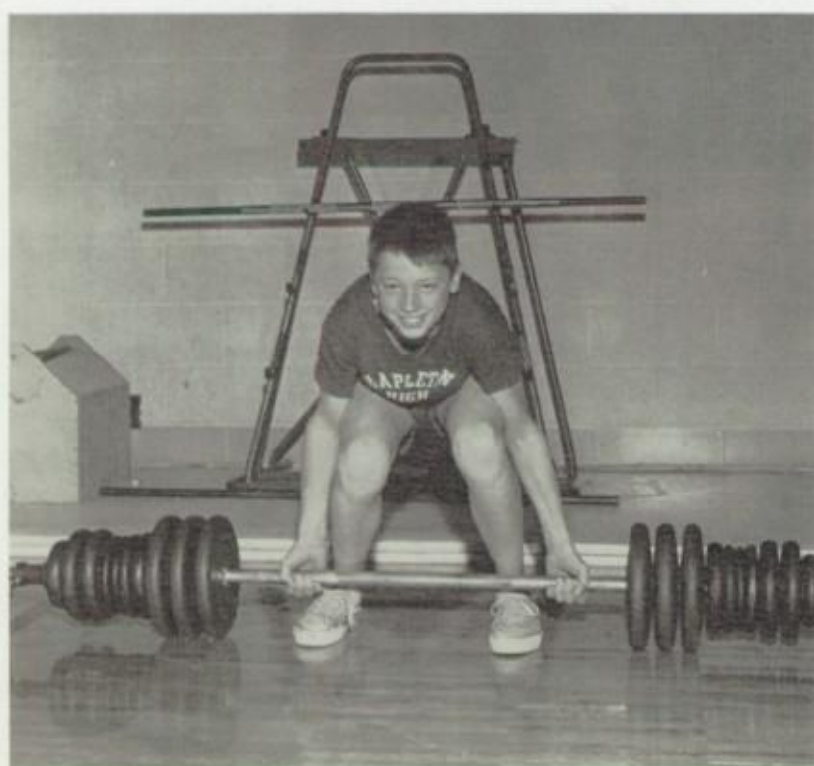

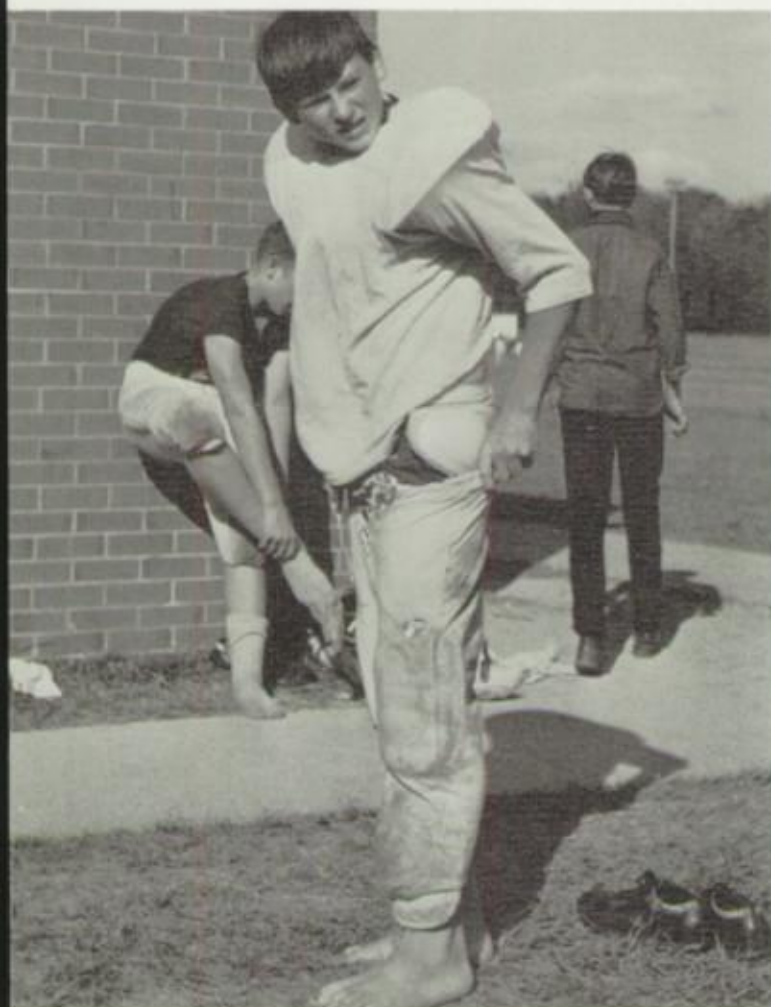

1969 . . . it was a very good year . . .
the beginning of a strange new experi-
ence for some . . . the bittersweet end of
tradition for others.

While for many
more it brought about the
continuation of an already
familiar way of life . . .

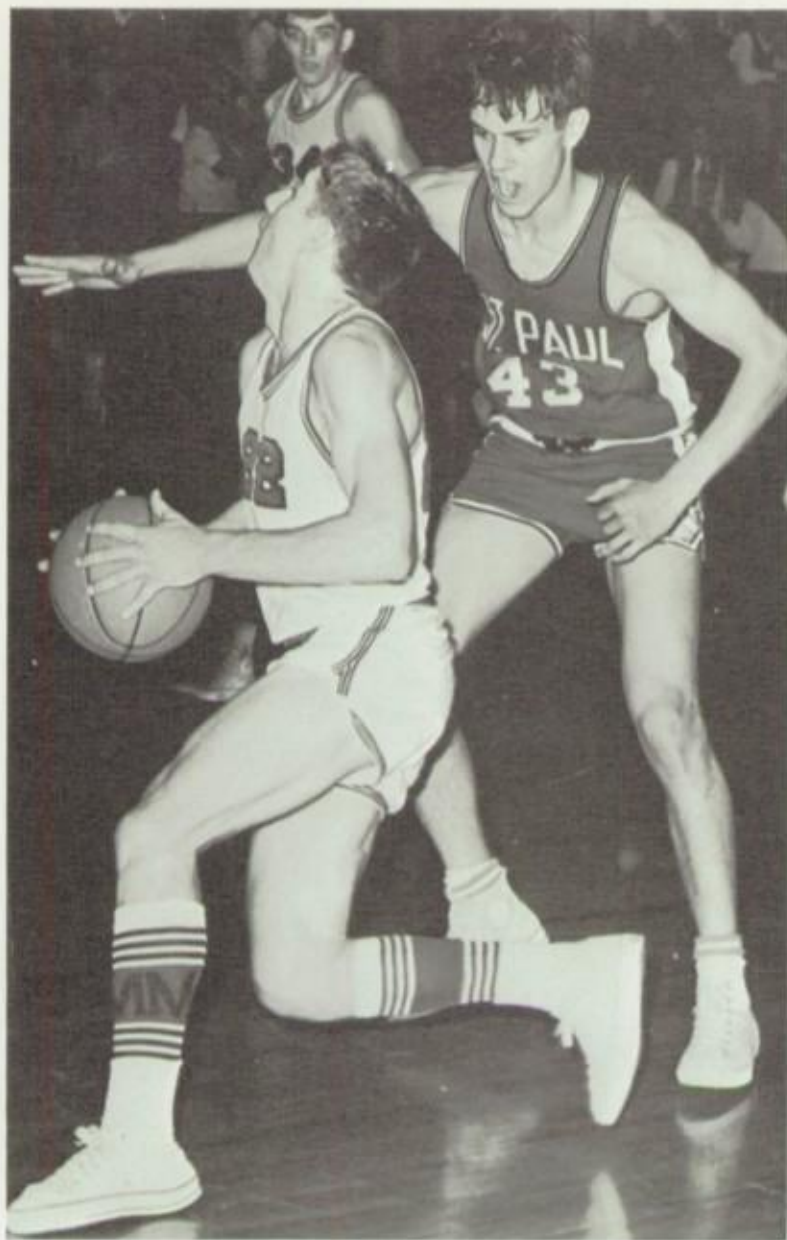

the blossoming of new friendships . . .
the opening of broader opportunities
. . . the unfolding of wisdom.

Outstanding achievements
brought acclaim to
Mapleton and pride to its
students and faculty.

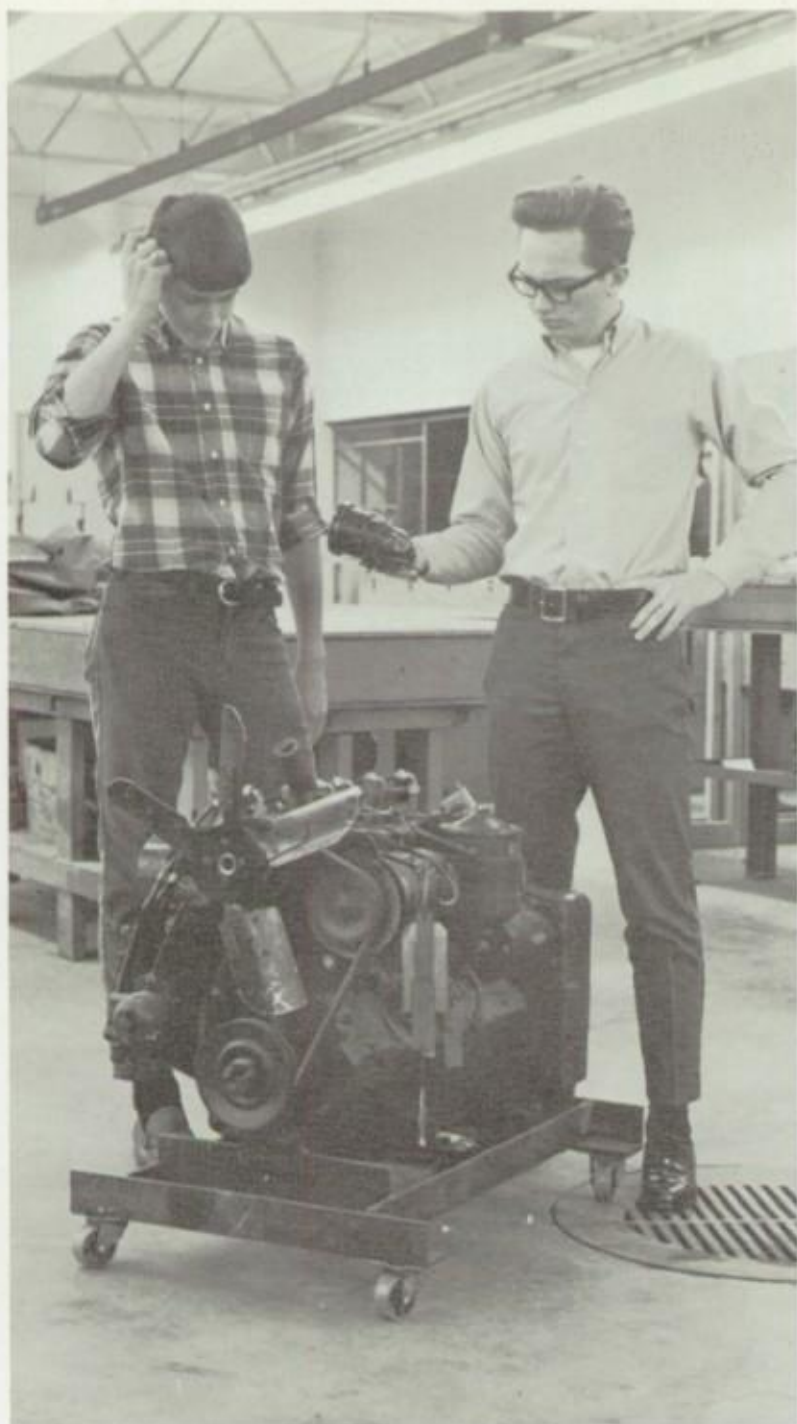

With each new development came the reward of experience, whether from success or failure.

Yes, it was a very good year . . . the joys and the sorrows . . . the successes and the failures . . . the old and the new . . . each added a different dimension to the realm of importance of the events of 1969, making it a most unforgettable year.

★ ★ Administrators Encourage Academic Achievements. ★ ★

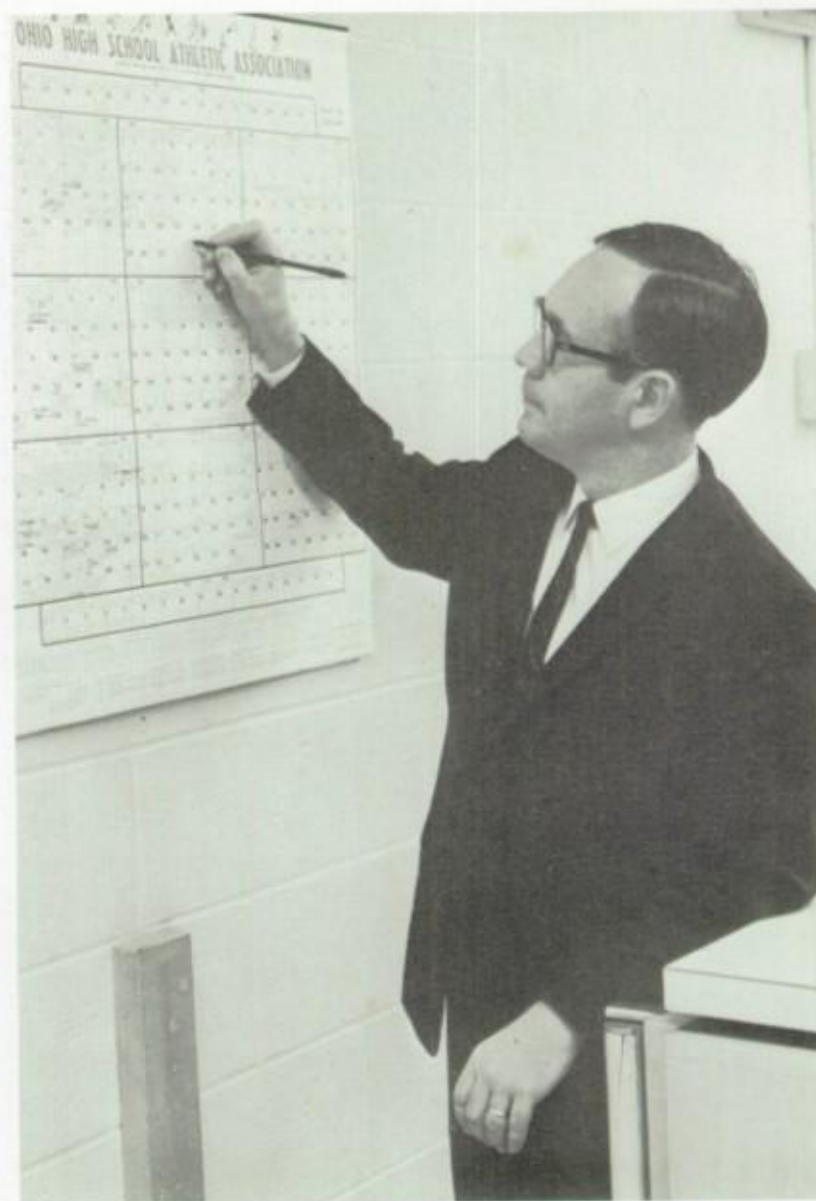

To All Students, Faculty, Staff and Parents:

As I look back on my years of service in the Mapleton School District, I recall many rewarding incidents. First among these has been watching hundreds of young people grow and develop as they progressed through their years in school and on to advanced study or a vocation, distinguishing themselves and their school.

I would be remiss also not to mention the dedication and devotion of the many staff members who have worked with the students of the district to provide them with excellency in education. A great deal of credit must also go to the adult members of the community in supplying the financial means and cooperation needed to provide our educational system.

The future will hold challenges for all of us to meet the changes which take place in the processes of educating our young people. I am confident that the Mapleton community and staff members will meet these challenges to continue to provide first class opportunities for its youth.

John E. Camp
Superintendent

The Mapleton Board of Education has the concern of all the students at heart when formulating the policies for the schools. Board members are Mr. Dominic Lechiara, Mr. Carl Bruce, Mr. Dean Welch, Mrs. Richard Krause, and Mr. Albert Young. Mrs. John Romine serves the Board as clerk, and Mr. John Camp is completing his first year as superintendent of the Mapleton School District.

Whenever a Mapleton student needs advice he finds himself seeking it from Mr. Thomas Hay, Mapleton's guidance counselor. In addition to this busy schedule, Mr. Hay finds himself involved with the Future Teacher's Association, College Club, Art Club, National Honor Society, cross-country coach, and assistant, varsity basketball coach.

Mr. Hay's interests range from tennis, fishing, music to the stock market. Mr. Hay and his wife and two children reside in Ashland.

Each of us possess abilities which are unique and personal. The power of the intellect has never been completely measured. The struggle of each generation has been to improve in all areas of human endeavor. We are still searching for the ultimate in man's relation with his fellow man throughout the world. Our horizons have been lifted, through space and to faraway places in the universe. All of this has been done to better help us to approach our objective. We realize that we are but a small part in the world scheme of things, but we must not forget that we are each a very important part. In setting our personal goals, we should be sure that they are realistic and challenging. In so doing, and working toward these goals, we are each making a significant contribution and our lives are becoming richer.

Sincerely,
William Butler
 Principal

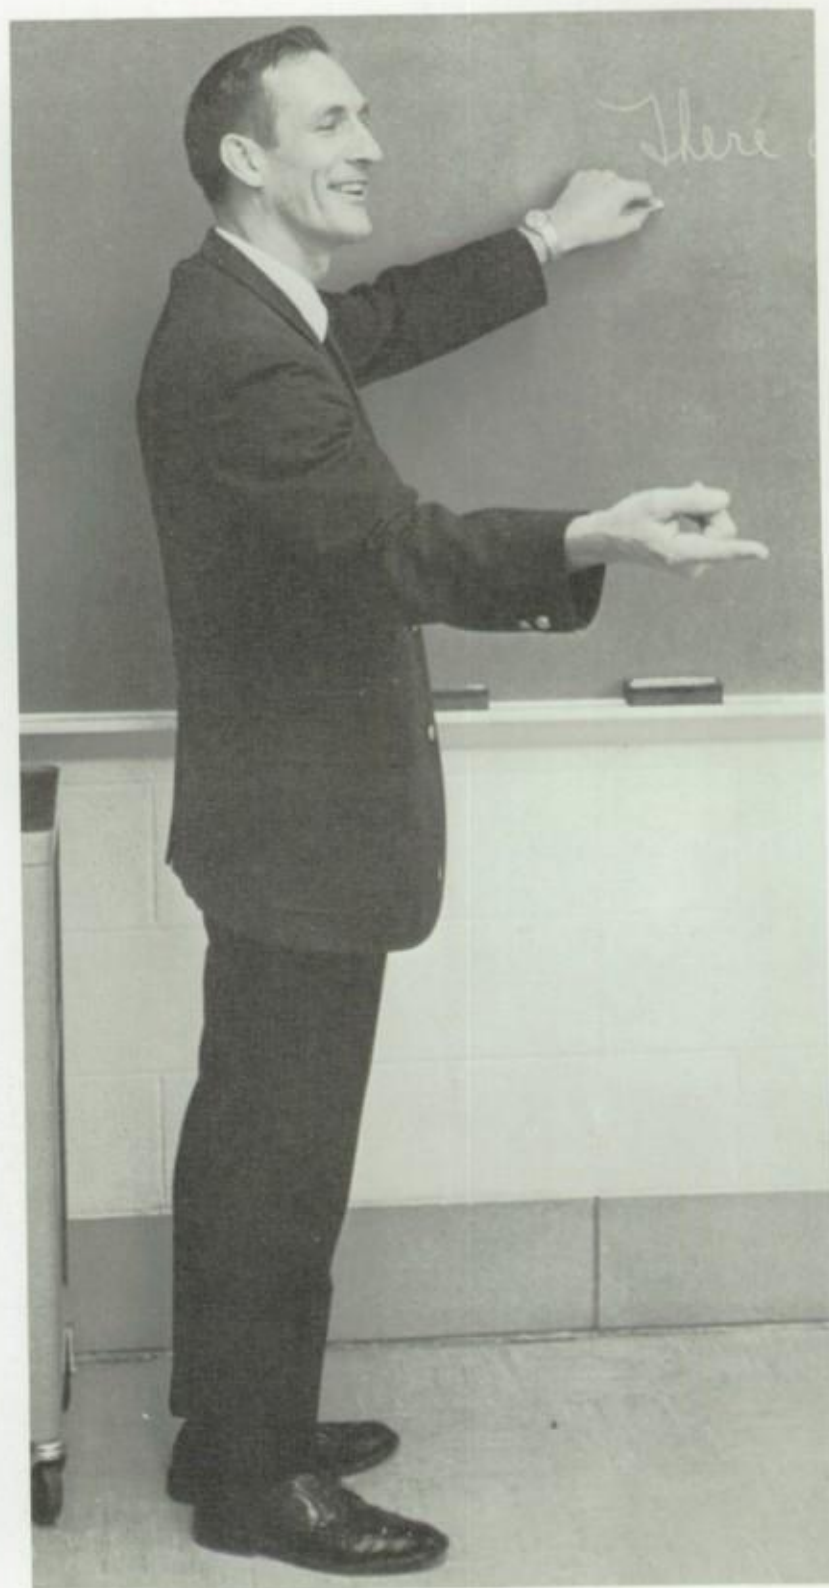

English and Speech Build

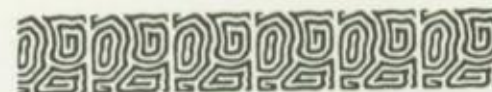

Speech is available to any interested Mapleton student. This course is taken in place of English, or in addition to English. The students are instructed in the basic principles of speech, after which the rules are put into practice. The classes participate in panel discussions, debates, individual speeches, radio broadcasting, and cuttings from short stories and plays. Most students learn the value of good enunciation, poise, and audience contact.

Mr. James Reynolds, teacher of English and speech, graduated from Ashland High School and received a B.S. in Education from Ashland College. He is the football and track coach and advises the Drama Club.

Mr. Reynolds enjoys water skiing, reading, bowling, football, track and boxing. He has three children, and the entire family is interested in sports.

a Bridge for Tomorrow

Mrs. Speck and Mrs. Bates (below) spend time outside the classroom helping with makeup for the junior class play. Opposite page: Students in Mr. Reynold's English II class (top left) prepare for term papers in the library. Mr. Reynolds (bottom left) listens to Dave and Chuck argue their debate question.

All English classes constantly strive for grammatical perfection and better vocabulary. Literature develops a further interest in reading, as well as a knowledge of history and geography. Creative and expository writing help the students develop definite styles of expression. The ability to communicate ideas is perhaps the most important asset gained from a high school education.

Mrs. Weldon Speck is one of the teachers of English at Mapleton. She is also very busy with the school newspaper, the youth page for the Times Gazette, and the senior class.

Mrs. Speck graduated from Ashland High, and received her B.A. from Wooster College.

She finds a little time after grading papers for music, collecting old books, and her two children.

Mrs. Laura Bates graduated from Dalton High School and received a B.A. degree at Ashland College. She teaches ninth and tenth grade English. Her extra-curricular activities include class plays, pep club, cheer leader advisor, and junior class advisor.

Besides being the mother of four active children, Mrs. Bates find time for reading, cooking, dramatics, gardening and all sports.

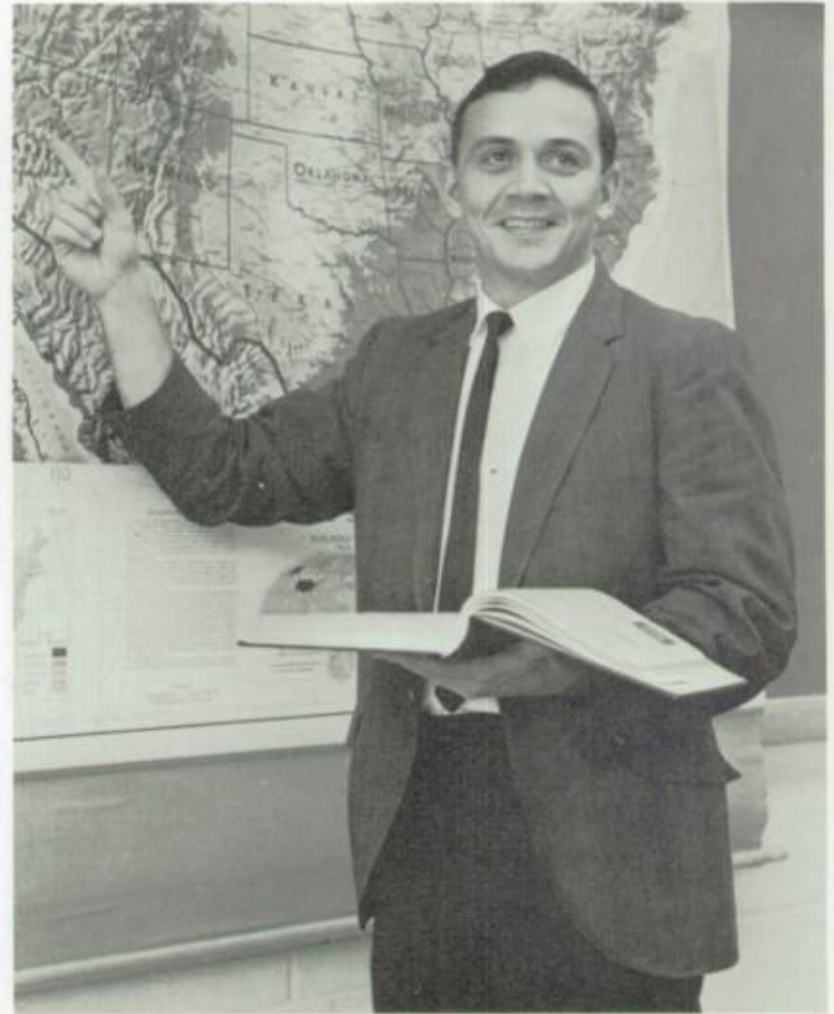

Students receive the opportunity to develop an understanding of their nation through the history and government classes offered at M.H.S. Not only does the student study past events of the U.S. and the world around it, but they are kept up to date through current magazines and films presented to them to give both a past and present look at the world.

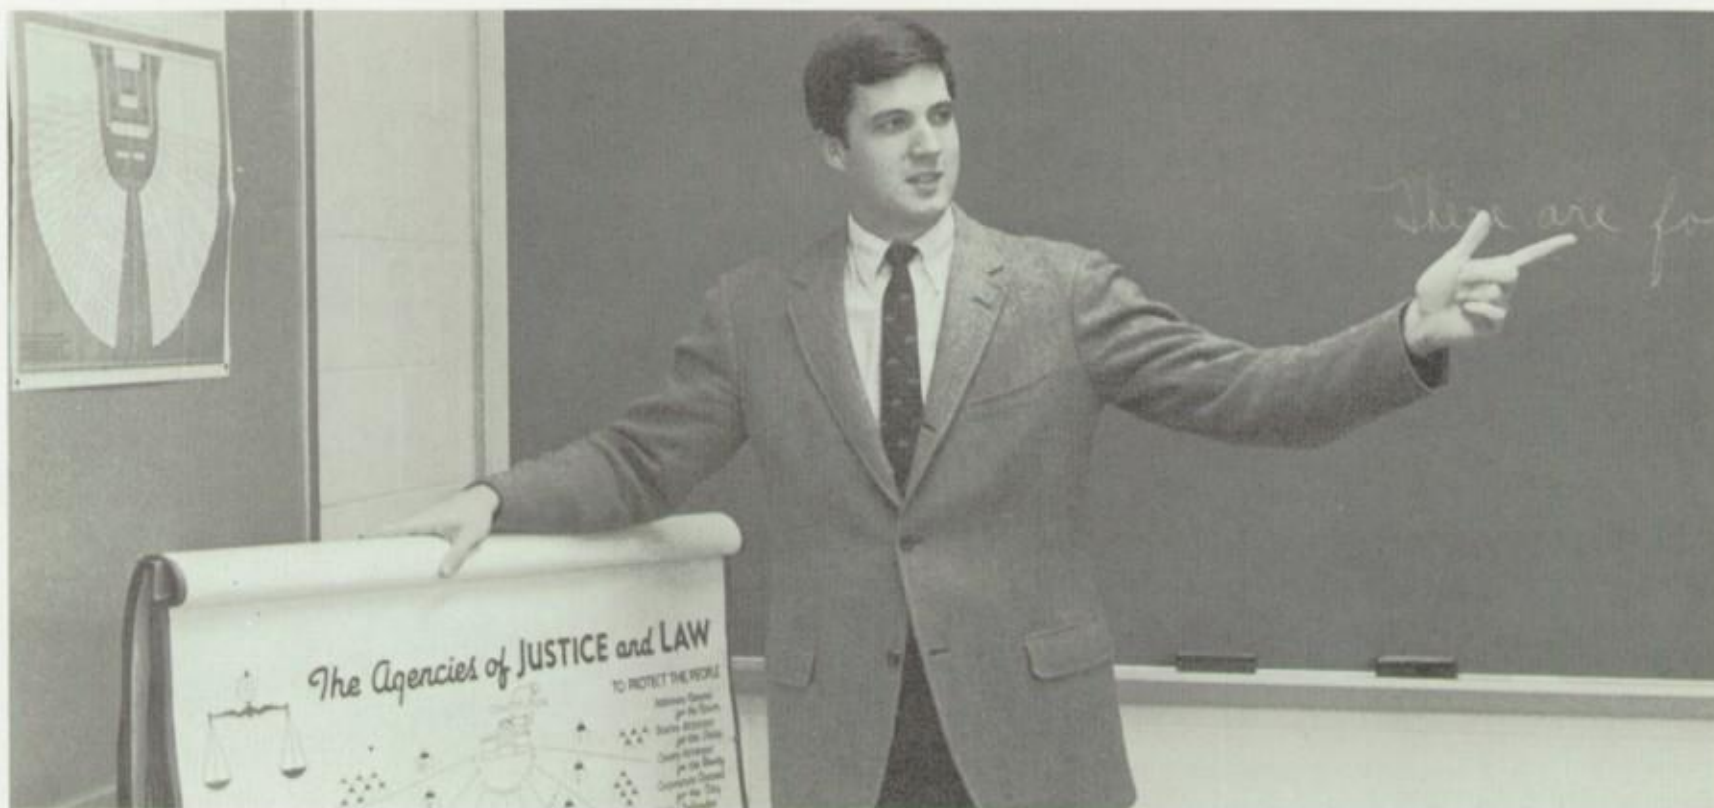

The serious social studies student has the unique opportunity to appraise the world today in light of previous events. His knowledge of historical trends and governmental processes gives him insight into current problems so that he can take an active part in civic affairs. Although he may not continue his studies, the student is now prepared to be an intelligent voter.

Mr. Lonnie Atchison, teacher of world history and American History, graduated from Ashland High School and received a B.S. in Education from Ashland College. Along with being father of three, he is assistant coach in football, and an advisor of the junior class. He enjoys football, fishing, and reading.

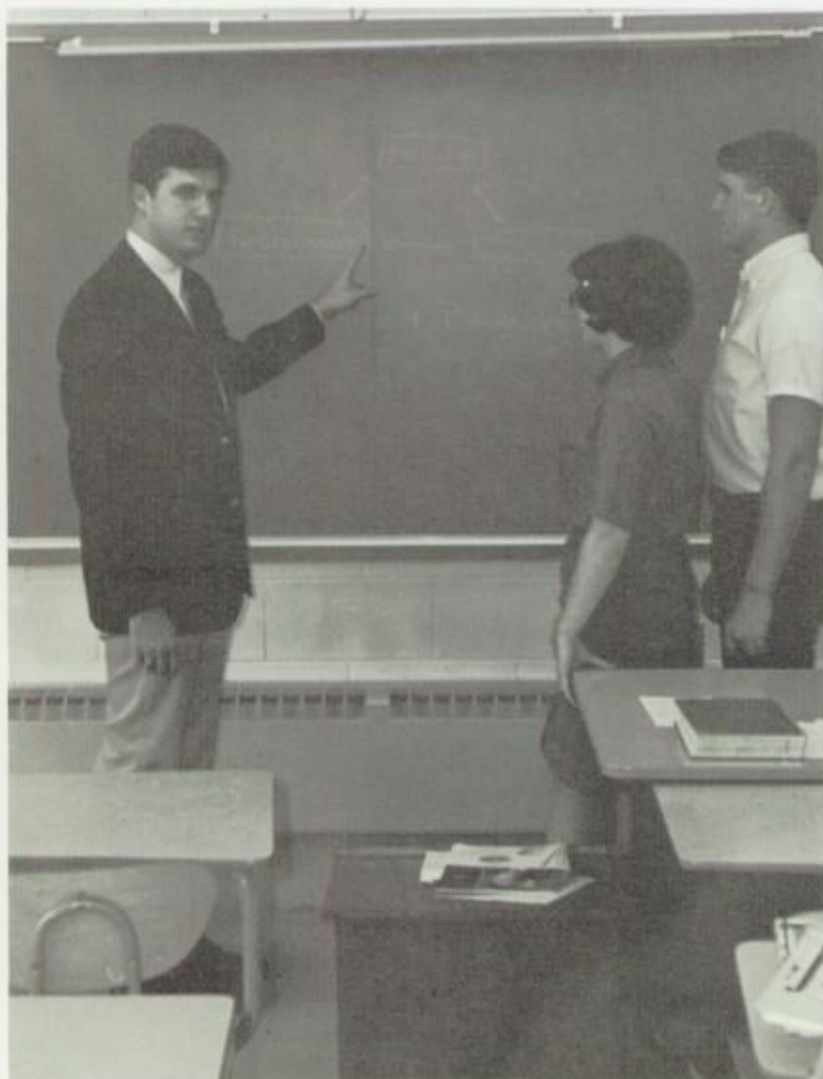

Mr. Atchison (below) discusses a group assignment for American history. Geography students (below right) examine globe with Mr. Atchison.

Classes Examine Our World

Mr. Bear (left) explains governmental branches to seniors.

Mr. James Bear teaches American Government and American History at Mapleton. He is also assistant football, basketball, and track coach, and senior class advisor.

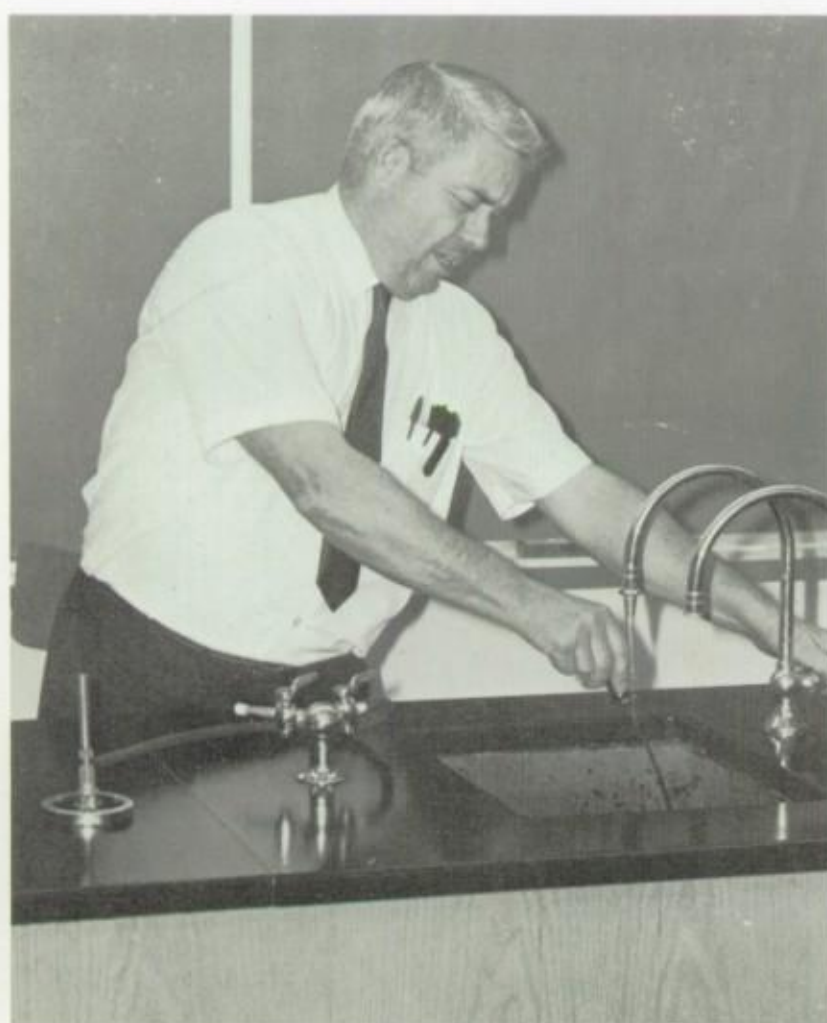

Mr. Bear graduated from Ashland High School and received his B.S. in Economics from Mount Union College. He finds time in his busy schedule to participate in golf, bridge, Japanese Sumo Wrestling, and skin diving.

Opportunities Are Never Ending in the

With the aid of his textbook and the guidance of his instructor, the science student is driven by imagination and curiosity to eager observations of demonstrations and experiments, which test the theories and laws of many noted biologists, chemists, and physicists. Working together, the students are able to form systematic patterns of study. Continually, the student is developing a power of reasoning and quick analysis. By the end of his studies in science, he has achieved a further understanding of life and his environment.

All freshmen encounter Mr. John Crumrine in general science, but he also teaches physics and mechanical drawing.

Mr. Crumrine is a sophomore class advisor and works hard with Mrs. Crumrine on the science fair.

Mr. Crumrine graduated from Nova High School and received his A.B. from Ashland College. Occasionally he finds time to do carpenter work, gardening, and some farming.

World of Science

Students learn to dissect a frog or such formulas as $NiSO_4 (NH_4) SO_4 6H_2O$ under the direction of Mr. Walter M. Brownson. Besides being an avid Mounties fan, Mr. Brownson also is advisor for the freshman class.

Mr. Brownson graduated from Ashland High School, received his M.A. in Biology from Kent State University.

In addition to teaching, Mr. Brownson tries to find some time at home for his family (wife and three daughters), farming, and reading.

Joe and Dennis (below) clean up after chemistry experiment.

Physical Education

The gym teacher's shrill whistle resounds through the locker room. Gradually, the girls finish dressing and, one by one, drift into the gym. "Line up, girls, and number off!" cries the teacher. Eventually the class is standing at attention in a straight line and the girls begin to call out their numbers. After struggling through two or three warmup exercises the class is ready to start the exciting volleyball game. Suddenly the ten-minute bell rings and the class dashes into the locker room after a strenuous period of girl's gym.

Mrs. Carol Bowersox, teacher of physical education and health, graduated from Ashland High School, and received her B.S. from Bowling Green University. She advises the G.A.A. Her favorite sports are baseball, football, and basketball. Mr. and Mrs. Bowersox have two children.

Mrs. Patty Hastings was the girl's physical education teacher during the first semester. She took a leave of absence for second semester. Teaching physical education at the junior high and high school was only part of the job, because an active G.A.A. kept her busy after school.

In her spare time at home, Mrs. Hastings enjoys reading, cooking, horse-back riding, and helping her husband with the farm work.

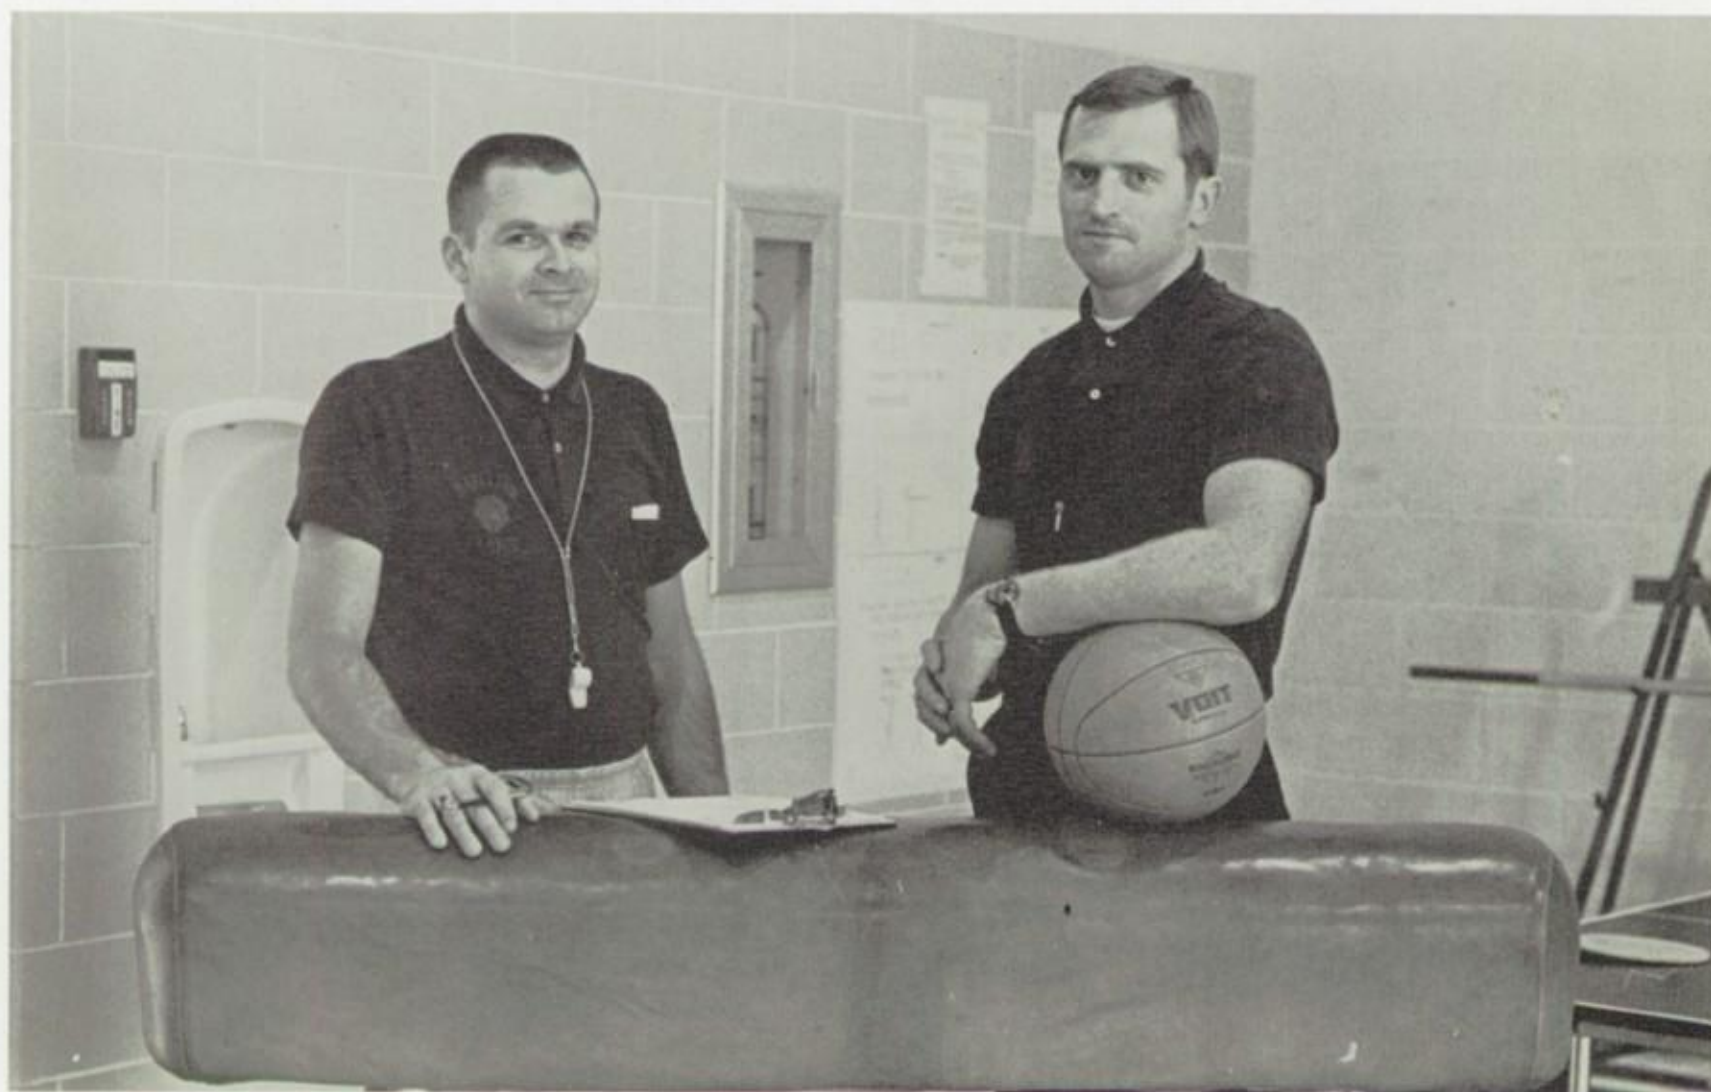

Encourages Fitness

Twenty boys noisily clamber from the locker room and take their positions on the floor, half of them with T-shirts tucked in their shorts and half with them out. Roll is taken, and the soccer game starts. The whistle starts a frenzied melee of running, kicking, and shouting until someone makes a goal. The ten-minute bell brings gym class to a close all too soon, but promises a refreshing shower to soothe aching muscles.

Mr. Glenn Honeycutt graduated from Piqua Central High School, and received a B.S. and M.Ed. from Bowling Green State University. He also attended Miami University. His position as athletic director keeps him busy, but he is also head basketball coach, assistant football coach, and Varsity "M" Club advisor.

Mr. Honeycutt enjoys athletics, travel, swimming, baseball, basketball, and working with young people. The Honeycutt's have one daughter.

Languages Stimulate Imaginative Thinking

The study of foreign languages is not only an exercise of the mind but also an opportunity to study the culture of a country from an inside viewpoint, rather than obtaining a sketchy picture of this culture from history and literature courses.

The hours spent studying at home and listening to tapes and repeating phrases in the language lab are also amply rewarded by the student's feeling of accomplishment while he talks about the latest happenings in school with his amigo, friend, or ami.

Mrs. Mary Nearhood, teacher of senior English, Latin I and II, and French I and II, received a B.A. and B.S. at Ashland College after attending the University of Athens and Oberlin College. She attended Chids High School in Greece.

Mrs. Nearhood is advisor to the freshman class, French Club, Latin Club, and Junior Classical League.

In her spare time, Mrs. Nearhood finds time for reading, cooking gourmet foods, knitting, swimming, and traveling. The Nearhood's have two daughters.

Miss Au (below left), student teacher, discusses plans for Latin with Mrs. Nearhood. Mark Delozier (below right) gets instruction from Mrs. Nearhood.

The Library Offers A Whole New World of Experience and Information

A busy place at M.H.S. is the library. The library attempts to supply all the materials students need for research in every subject. In addition to a good selection of books, a large selection of magazines supply the students with extra resource materials. All freshmen receive instruction in the use of the library, and the classroom teachers make assignments requiring students to use all the library resources.

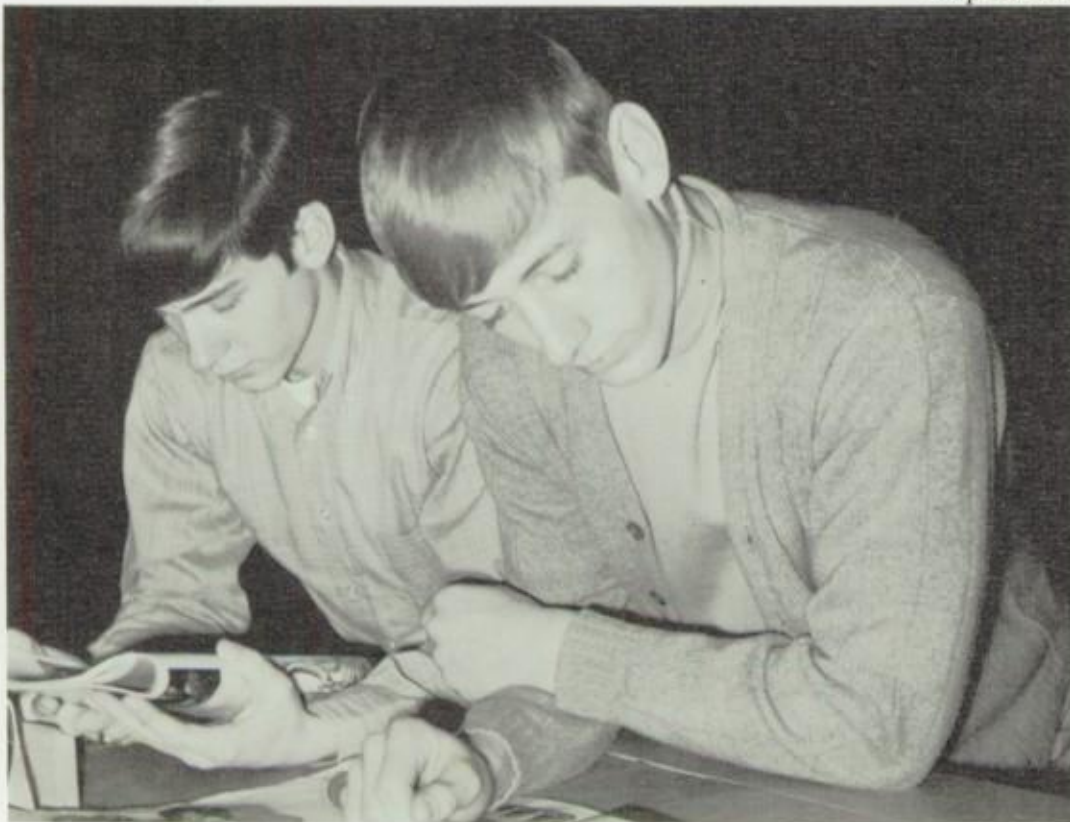

Freshmen find themselves doing research papers for English, health, and science fair project research. Sophomores are assigned term papers in English, science fair projects, biology reports, world history reports, and geography research. Juniors use the library for numerous speech assignments, American history reports, and American literature term papers. Seniors use the library for speech, extensive American government research, and English literature term papers.

If a student wants to find anything in the library, he will encounter Mrs. Pauline Fair, the school librarian. Mrs. Fair is active with the Dewey Decimals, Chevalier, and is advisor of the sophomore class.

Mrs. Fair enjoys working with young people, camping, hiking, photography, and cooking. She also enjoys football and basketball.

Mrs. Fair graduated from Smithville High School and received her B.S. in Education from Ashland College.

Louise and Barb (below) spend some time in leisure reading. Term papers for sophomores (below right) require assistance from Mrs. Fair.

Mrs. Ruth Crumrine attended Jeromesville High School, and received her A.B. from Ashland College. She teaches Algebra I and II, geometry, and advanced mathematics. Mrs. Crumrine is a sophomore class advisor, helps with the annual science fair, and spends many evenings after school helping students advance their studies in math.

Mrs. Crumrine's main hobby is sewing and her favorite sport is baseball. She has a daughter in college, and a married son.

Mathematics presents a challenge different from other subjects encountered by the student because it deals only with idealized relationships between concepts experienced in everyday life. At first he is somewhat stunned by the apparent separation of mathematics from his environment, but eventually he realizes, if only to a small degree, the power and scope of the field of mathematics.

Kathy Shonkurler (bottom left) and Sandy Beattie display math project. Mrs. Crumrine points out graph to Kathy Clouser (bottom right).

As progress continues at its rapid speed, it became necessary to initiate new methods of math into the curriculum. The math department presents a modernized math to the Mapleton school system. The "New Math" is an attempt to improve an understanding of mathematics by stressing the "why" rather than the "how". Special emphasis is placed on the number system. The new math challenges, intrigues, and puzzles both geometry and algebra students, as it revises math into more than a mechanical process.

Mrs. Virginia Pfeiffer teaches general mathematics and Algebra I at Mapleton High School. She graduated from North High in Columbus, Ohio, and received a B.S. in Education from Ohio State University.

She is advisor for the graduating class of 1969 and enjoys playing the piano. Her favorite sports are swimming, fishing, basketball, and baseball.

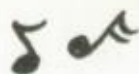

The Pfeiffer's have two children, both in college.

Music—Creative,

Anytime one hears a chorus of voices around Mapleton, it is obvious that Miss Marie Keppel is at work. Miss Keppel puts in many extra hours rehearsing with ensembles, soloists, and choral groups.

Miss Keppel graduated from high school in California, received an A.A. from San Joaquin Delta College and a B.Mus. at Ashland College.

Miss Keppel's spare time is filled with reading, cooking, and sports.

"Singing" is one of the most relaxing, expressive past-times a person can find. The Mapleton chorus practices last period each day, but instead of it being tedious, it is enjoyable. The chorus members love to sing, and this feeling is reflected in the spirit of their song. The aim of the group is to strive to blend evenly with one another and produce a definite quality of sound. All of this practice, needless to say culminates in the district choir contest in the spring, and, if lucky, in the state contest later on.

The Christmas concert required a great amount of practice from Steve and Bonnie (below). During rehearsals, Miss Keppel (below right) is usually seen in this position.

Enriching, Enjoyable

What is band? At Mapleton, band is being part of a group that stick together; a group that perseveres the hot glare of the sun at ice cream socials—weathers through sleet and snow during football season—and anxiously awaits the rating at the District Contest each spring.

Band isn't doing the questions at the end of Chapter 23, or preparing a 500 word essay on "What Music Means to Me," but students still learn a great deal and have a lot of fun being a member of the Mapleton Mountie Band.

Parents and friends have the opportunity to hear the Mountie Band at its annual Christmas and Spring concerts, under the direction of David Vaas.

The days of Mr. David C. Vaas are filled with music. He spends much time each day going over music with the band and in extra hours of rehearsal. Mr. Vaas graduated from high school in Wheeling, West Virginia, received his B. of Music degree at Ashland College and his Conservator's Degree of Music at New England Conservatory. In addition to his school activity, Mr. Vaas enjoys playing in his own combo, the Ad Libs, and tinkering with engines.

Mr. Vaas and his wife are kept busy at home with their four children.

Student director, Dave Bradford, (below) directs band while Mr. Vaas helps other band members. The Ad-Libs (above left), headed by David Vass, entertain during the Christmas dance.

To enrich the scope of M.H.S. business students, the B. O. E. block offers everything the student needs to prepare her for a secretarial position. The course consists of typing, shorthand, bookkeeping, Business English, and office practice. Through experiences such as preparing a manual, taking dictation, or aiding in the production of the school paper, students receive a sampling of active participation in the complex business world.

Mrs. Kathryn Hill graduated from Harding High School in Marion and received a B.S. and Business Administration degree from Ohio State University. Mrs. Hill teaches typing, shorthand, and bookkeeping.

Mrs. Hill is junior class advisor, and B.O.E. advisor.

Mrs. Hill's hobbies are playing bridge, and collecting stamps. Mr. and Mrs. Hill have three children, and they enjoy sailing, playing golf and traveling.

Mrs. Ted Grafton, a newcomer at Mapleton, instructs students in the business department this year. She graduated from Springfield Twp. High School in Ontario, Ohio, and attended Muskingum College. Her extra-curricular activities include sophomore class advisor and the director of the Future Nurses Club. Besides the usual grading of typing papers and planning for shorthand and English classes, at home, she and her husband have two children to keep them on the go!

Typing I students (above left) strive for 30 words per minute. Mrs. Grafton (left) dictates shorthand to the business block.

Looking Toward the Future with Home Economics

In the home arts course potential homemakers gain practical experience which will prove valuable when they take up homemaking in the future. In the sewing classes girls develop artistic sense as they become acquainted with various color schemes, designs, and textures of fabric. In the cooking classes, the students learn to cook and bake by planning, preparing, and serving actual meals with the help of modern facilities in the home economics kitchens. Students learn to budget their money and they gain skill through the use of efficient methods. The course in grooming helps the students gain poise and confidence.

Things are never dull in the home economics department with lively Mrs. Mary Glasser around. After graduating from Savannah High School, Mrs. Glasser received her B.S. in Education from Ashland College. Mrs. Glasser is a very active advisor of both F.H.A. and the freshman class.

For pastime and relaxation she enjoys reading, traveling, sewing and cooking up new "concoctions". Her favorite sports are tennis, golf, and swimming.

The vocational agriculture department prepares the students for a future in farming. During the four year course, students have concentrated study in animal science, plant science, farm management, and farm planning. In addition to this training, the members of the classes take part in many F.F.A. contests such as dairy judging, general livestock judging, agronomy judging, wood judging, land judging, public speaking contests, business procedure contests, agricultural engineering, and De Kalb corn project.

Vocational Agriculture Builds the Farmers of Tomorrow

Mr. Ralph Welch, vo-ag instructor, graduated from high school in Kingwood, West Virginia and went on to receive a B.S. in Agriculture from West Virginia University.

He has three children and enjoys woodworking and metalworking. Being advisor to the F.A.A. consumes a great deal of time, but he still finds time to enjoy his favorite sports of football and basketball.

Mr. Welch spends his spare time participating in church, Lion's Club, and Lodge (F & AM) activities.

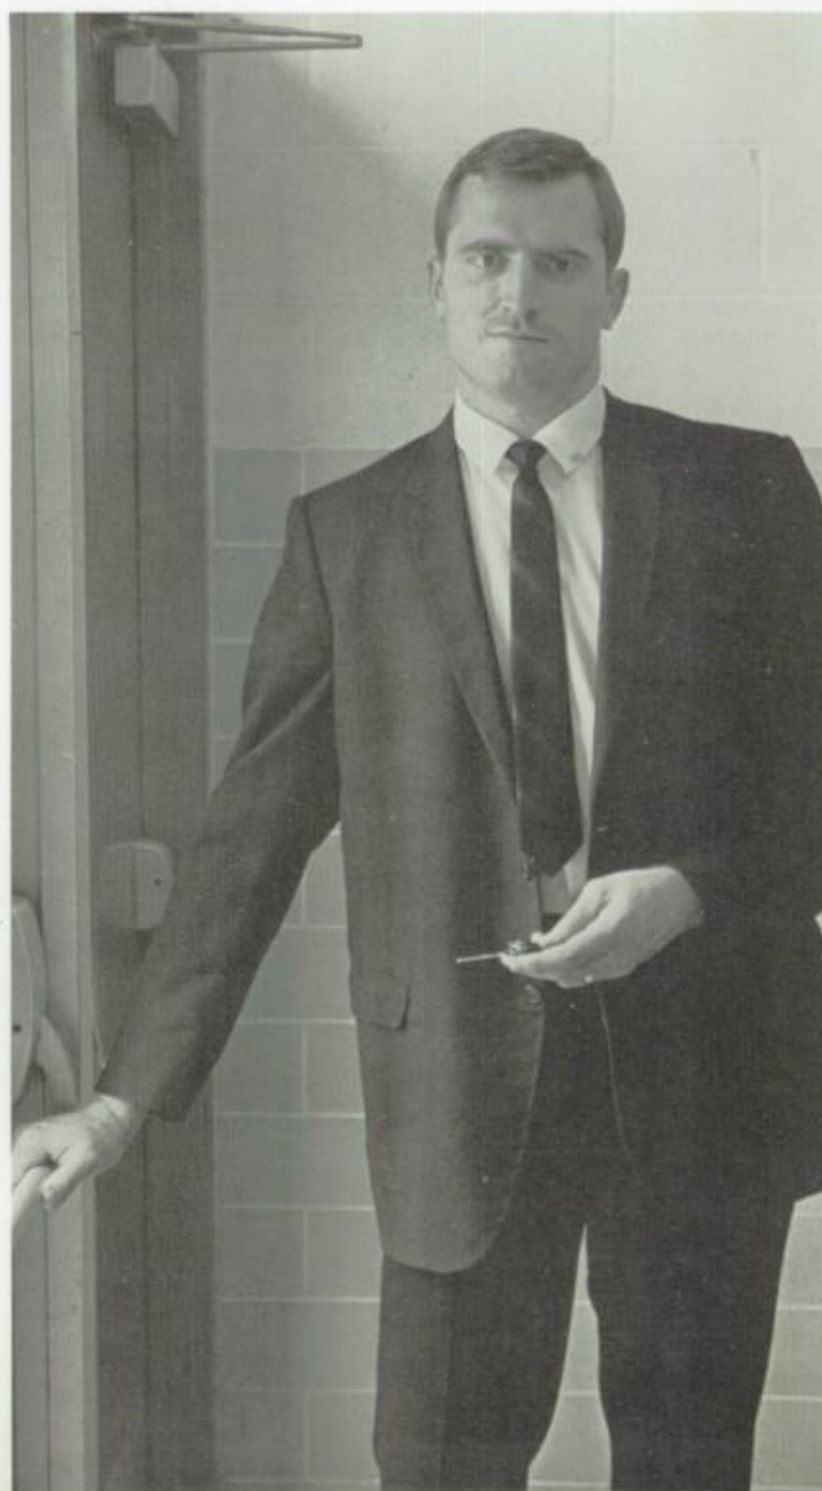

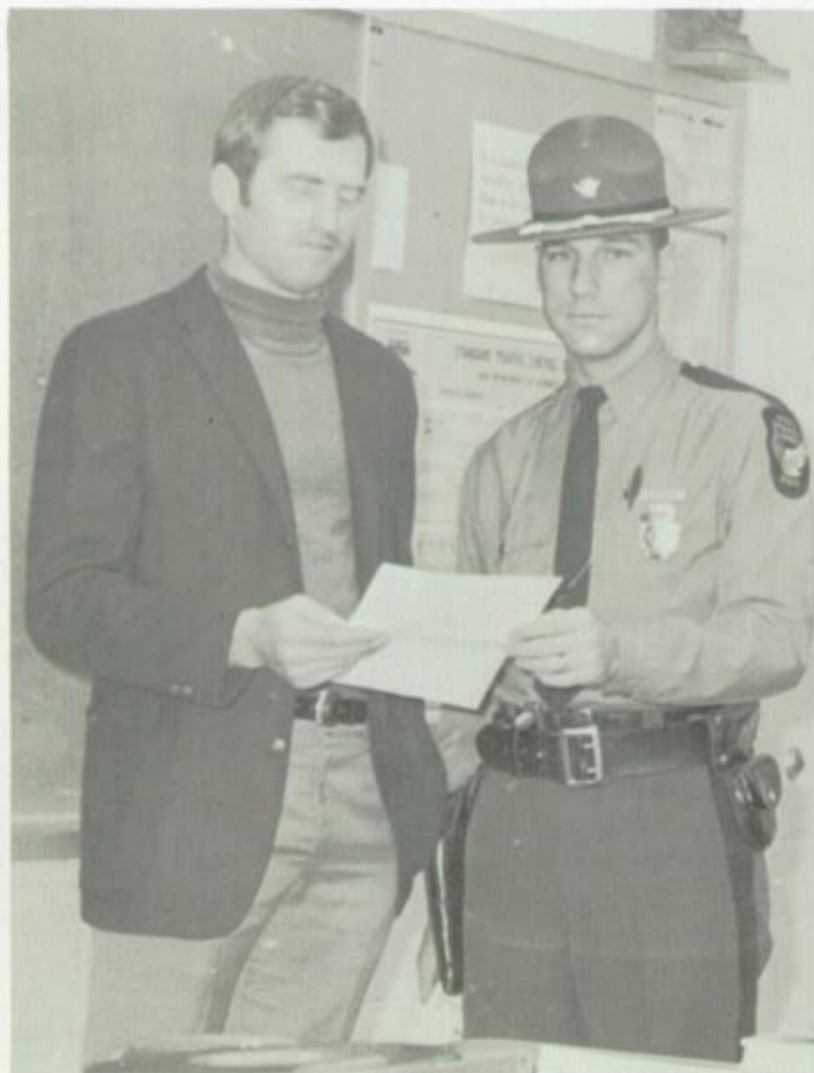

Driver's Education Develops Better Drivers

The driver gets into the car, starts the engine, and tensely holds the steering wheel. He moves forward slowly as his eyes dart from side to side to the road in front of him to the approaching stop sign. He eases the car to a full stop, then turns the corner with the utmost care, always conscious of the constant observation of the man seated next to him. He continues to turn corners cautiously and stops at each stop sign, hoping for the long-awaited words from the instructor, "Now, let's try it in town!"

Mr. Gerald Weyer, new to Mapleton this year, graduated from Margareta High School and received a B.S. from Ashland College. He teaches driver's education and physical education. He coaches eighth grade basketball and high school golf. He enjoys golf, basketball and pocket billiards.

Mr. and Mrs. Weyer have one son, born in February.

Industrial Arts Develops Creative Ability

Industrial Arts courses teach more to the students than how to make a cabinet or shift-lever extension, a soldering iron or repairs on their cars. They give them what cannot be gotten from books: experience. The boys in wood shop may see diagrams of various joints, but the knowledge of their construction and strength comes from making them in class. In metal shop the machining properties of steel or aluminum may be read about, but the actual learning process takes place on the lathe. In shop classes a student may learn the basics of wiring a circuit, whether it is for a simple radio or an ignition system. Industrial arts courses give the students the important change they need in their future career.

Perhaps no other class is more conducive to self-discipline than mechanical drawing. To make scaled, accurate drawings of machines or of architectural designs involves a very exacting use of the skills acquired in the beginning of the class; continued application of skills promotes precise, accurate thinking on the part of the student. Whether he uses these skills in later life or not, this self-discipline he has gained will undoubtedly help him in whatever vocation he enters.

A new teacher at Mapleton this year is Mr. William Reinke, the industrial arts instructor. Mr. Reinke graduated from Euclid Senior High and received his B.S. in Education at Bowling Green State University.

Mr. Reinke served as linesman for the football team this year. In his spare time, he enjoys such hobbies as photography, most types of sports, and travel.

Secretaries Keep Mapleton Running Smoothly Throughout the Year

Mapleton school secretaries have requests for many different things—from supplying band aids to typing tests for teachers.

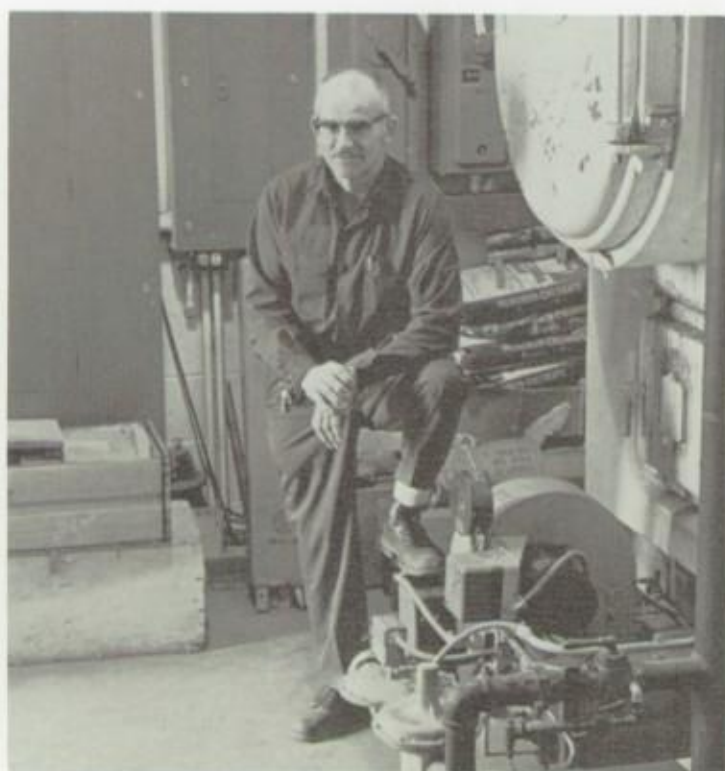

Mrs. Joan Collins (left) works on the daily attendance records. This is only one of her many jobs. Adding figures and checking balances keeps Mrs. Romine (middle left), school clerk, busy during the whole year. Mrs. Jackson (below) gets the Title II file for Mr. Camp. Bobbi and Jeanette (bottom) relieve Mrs. Collins during the lunch periods.

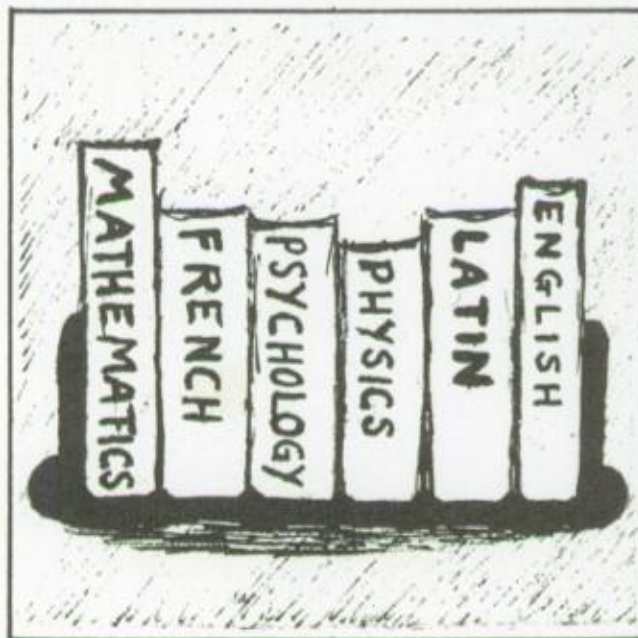

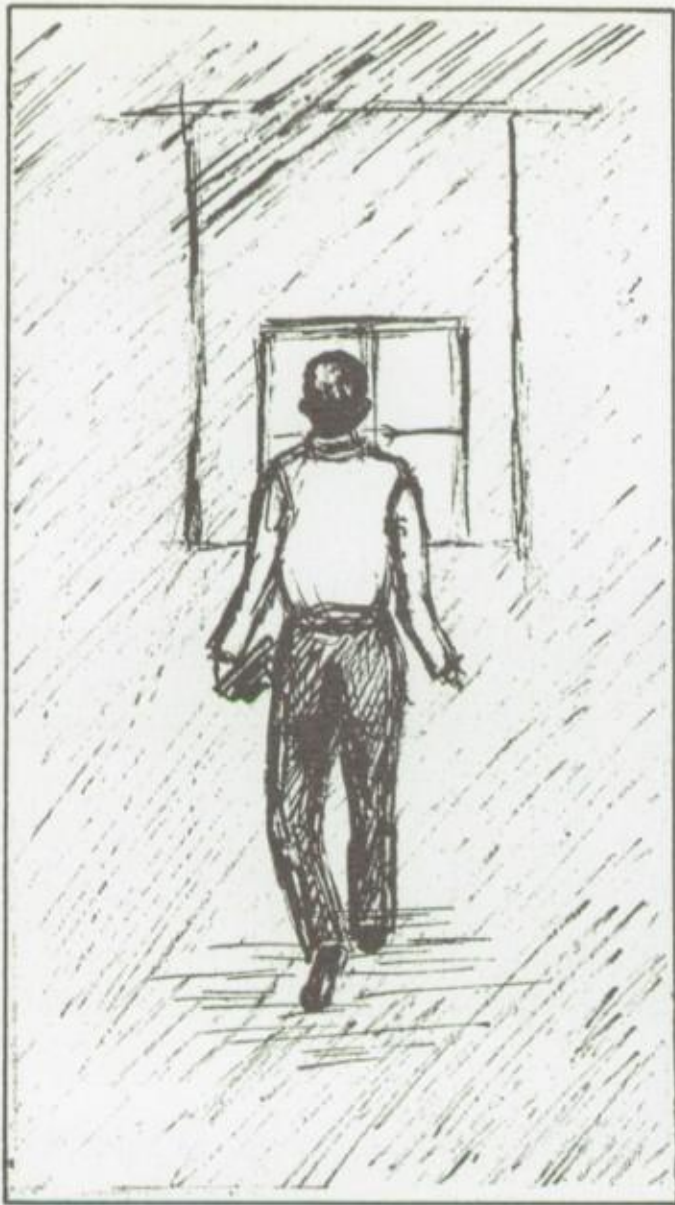

Personnel Aid in Operation of MHS

Unlocking the doors, turning on the lights, and shoveling walks in winter mark the beginning of the school day for our custodians. Cafeteria workers arrive about the same time to begin preparations for the rush of the lunch periods. At 8:10 all buses arrive. As the final bell rings, the bus drivers are once again on hand to take the students home. When the students have emptied the building, the maintenance staff begins sweeping away the reminders of the completed school day.

School cooks, Mrs. Naylor, Mrs. Drushel, and Mrs. Griffith (right) provide tasty, nourishing meals for Mapleton students. Safe rides to school are provided by the bus drivers (middle right). Mr. Marshall and Mr. Griffith (bottom) have the job of keeping the school clean.

Seniors Work Together for

Members of the graduating class of 1969 will long remember their four years at Mapleton High School. As freshmen they banded together to "protect" themselves from the imposing upper-classmen. By the next year, they had overcome their timidity and joined the various extra-curricular organizations. Some became artists, some musicians, others athletes. The big events of the junior year were the prom and the play, "A Case of Springtime." Perhaps the most important event of all high school life was the graduation ceremony—the parents, friends, and faculty watching as they stepped forward to receive their well-earned diplomas. In short, these four years provided them with pleasant memories forever.

When the freshman walked in the high school doors, they had no intention of losing their rooms, dropping their books, or being called "frosh" the entire year. They soon found their minds changed. Later in the year, class officers were chosen and cheerleaders were selected. Selling candy for the freshmen and faculty basketball games helped the class start their treasury.

Riding roughshod over opponents, Mapleton's murderous Mounties rampaged to a fine 7—2 season and a 21st position in the state rankings this year.

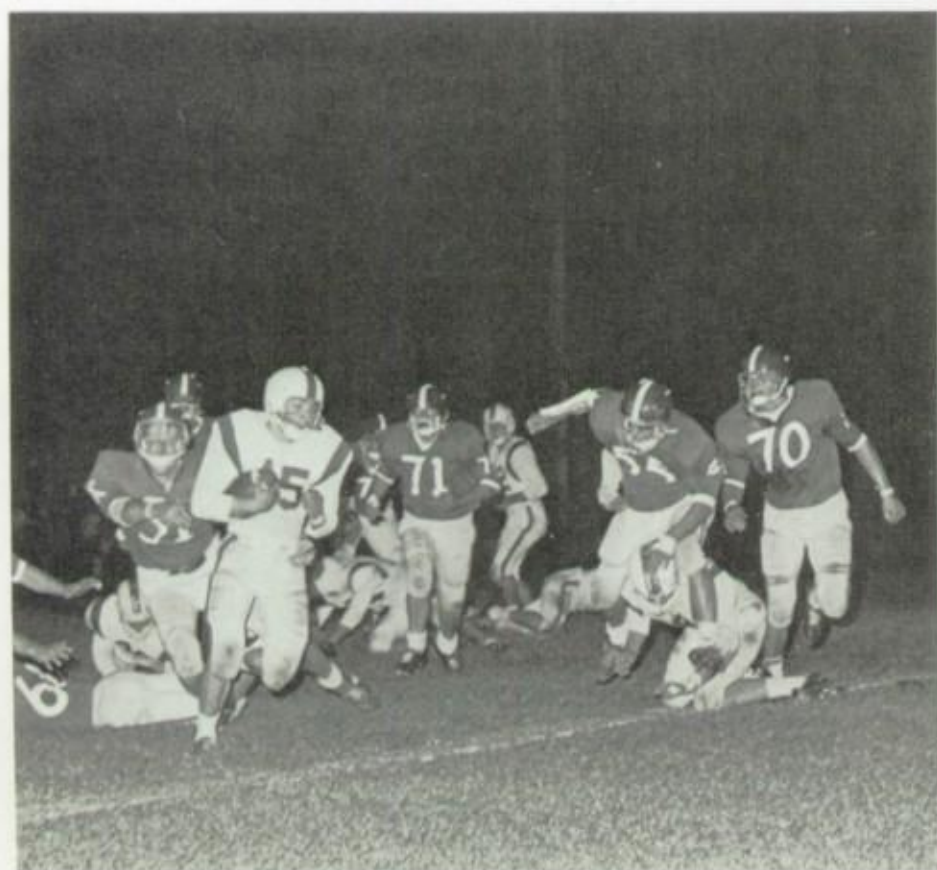

Highlighting the season was the 41—0 pounding administered to the South Central Trojans. A bitter pill to swallow was the heart-breaking loss to Norwalk St. Paul's Flyers, third-ranked team in the state.

Led by All-Ohio players Cliff Hickey and Jim Reynolds, the Mountie "Machine" computed new records offensively and defensively, scoring at a 23.6 clip and holding the opposition to 8.6 points per game.

Although the 1969 squad will be hard pressed to replace graduating seniors Cliff Hickey, Mike Murtaugh, Mike Krause, Denne Biddinger, Dave Lechiara, Lorin Lacy, Don Bowen, Bob Kerr, and John Halada, a fine returning nucleus and Mountie tradition should carry Mapleton to a winning season next year.

Powerful Mountie Offense

Stuns Opponents

Cliff Hickey, Mike Krause, Mike Murtaugh, Ken Pittenger, and Jim Reynolds earned 1st Team Firelands Conference honors for stellar performances throughout the season. Hickey, Murtaugh, and Reynolds were selected for the second consecutive year.

Honorable mention were Dennie Biddinger, Bob Simonson, Lorin Lacy, Dave Barker, and Dick Steiner.

Garnering All-Area 1st team honors were Dennie Biddinger, Cliff Hickey, Mike Murtaugh, Ken Pittenger, and Jim Reynolds. Hickey, Murtaugh, and Reynolds were selected for the second consecutive year.

The Mapleton High School Cross Country team finished its second outstanding season with 11 wins and no losses. The 1968 season was another record breaker as John Murtaugh set a new record at 10:23.

For the first time in Mapleton's athletic history, the Cross Country team represented the Mounties in the Ohio State finals. The members of the team that went to state are: Steve Badger, Bob Bright, Harley Grim, Randy Miller, John Murtaugh, Jim Schwan, and Cliff Watson.

Coach Hay commented, "Our goal at the beginning of the season was to go undefeated and represent Mapleton High in Columbus. The boys reached these goals with hard work, dedication, and sacrifice.

Some were running at 5 a.m., others ran over 500 miles in the summer and the team as a whole ran over 8,000 miles to achieve the conditioning necessary to win.

The Cross Country team has now won 16 straight dual meets over the past two years, but a bigger challenge lies ahead—the 1969 Ohio "A" State Championship.

Mounties Give Fans

Thrilling moments were experienced by many Mountie fans as most of the 19 games played were either won or lost by only a few points. For the overall season the record was 8—11.

Perhaps the most exciting game and the high point of the season was the hard-fought 37—36 victory over the Northwestern Huskies. Another exciting game was the St. Paul game in which Lorin Lacy, a guard, scored 40 points, setting a new school record; the final score 72—53 making the Mounties victorious.

Three starting players will be lost through graduation—Lorin Lacy, Dennie Biddinger, and Tom Cline; but a fine nucleus of Juniors will be returning for another exciting season next year.

Mounties Complete

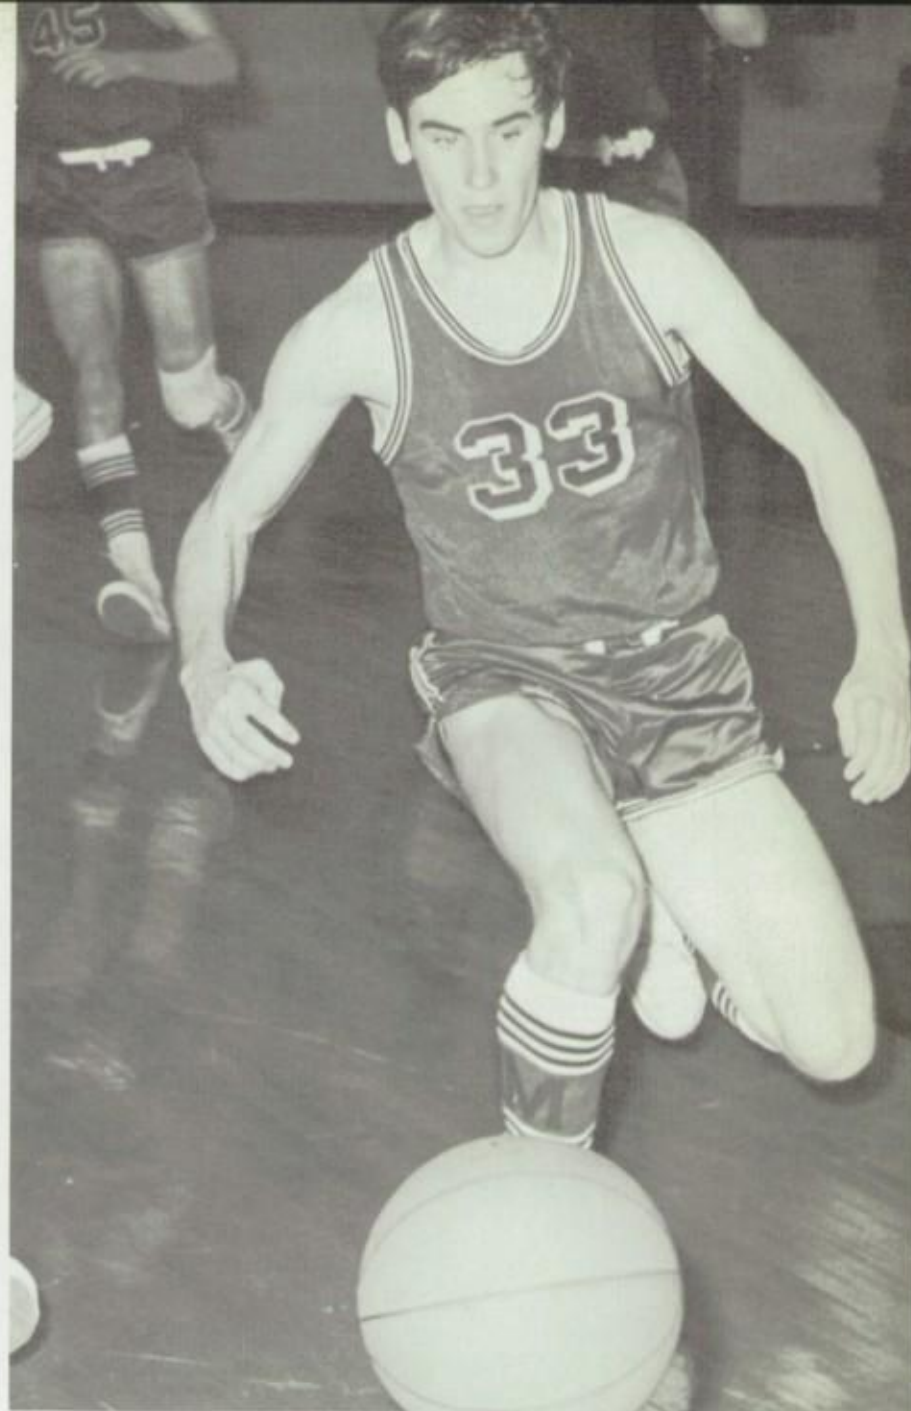

In the 68-69 basketball season Senior Lorin Lacy, achieved a position on the Firelands Conference All-Star team. Senior Tom Cline and Junior Randy Miller were awarded honorable mention to the Firelands team.

Besides this Firelands honor Lorin was also given honorable mention to the All-Ohio team.

Rugged Season

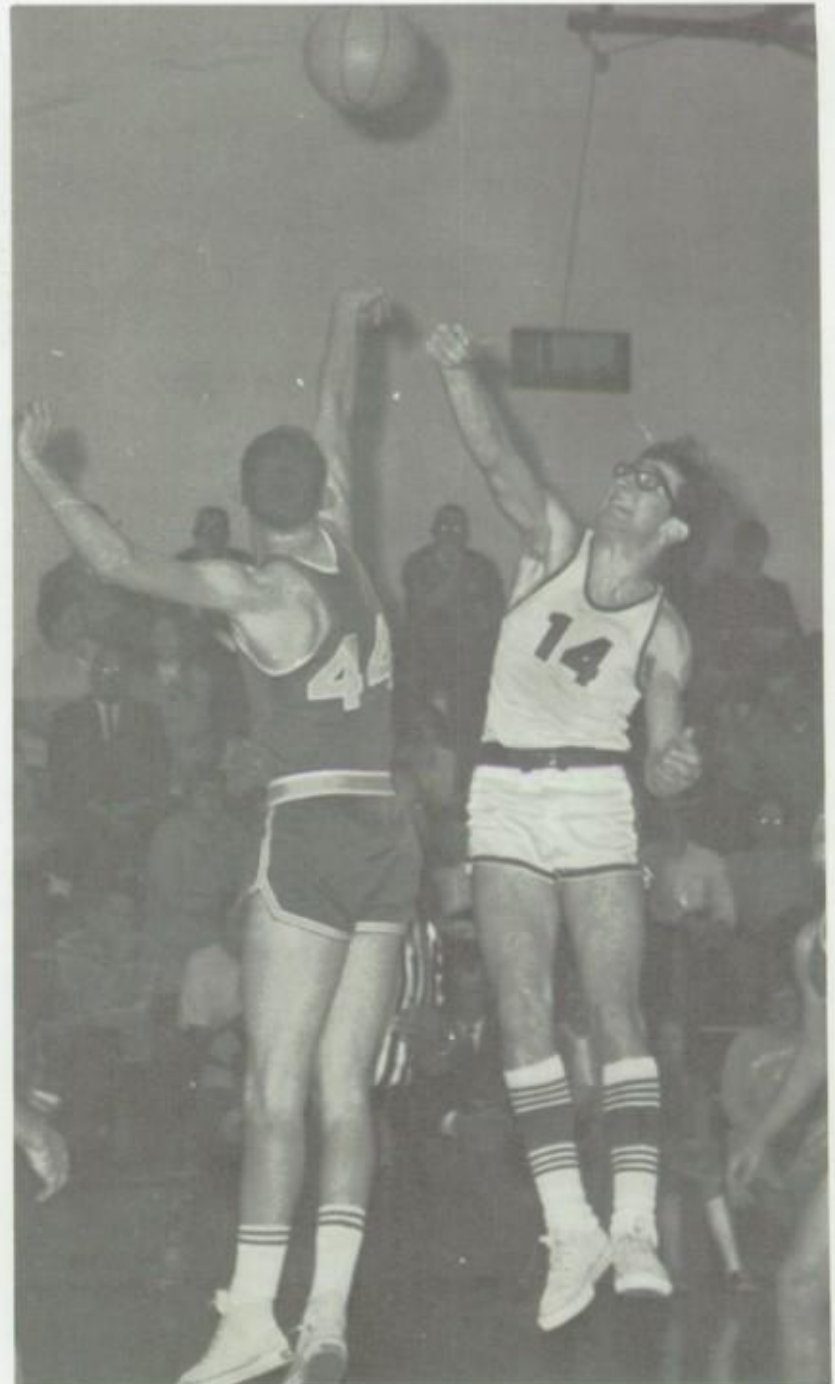

JV's Show Potential

Mapleton's hustling reserve basketball team finished the season with a 6—12 record.

With experience and poise gained this year, several members of the reserve team should be trying for starting roles with the Mounties varsity next year.

Nick Crow, Steve Ringler, Ken Pittenger, Stewart Light, Ed Kemery, Alan Peters, Steve Kramer, Jerry Beebe, John Donley, Stan Harmon, Jerry Claypool, Bob Ringler, Mr. Poorbaugh, Coach Bear, Ron Bohland. Ken Pittenger (*above*) stretches hard for basket. Stan Harmon (*right*) reaches high in air to claim ball for Mounties.

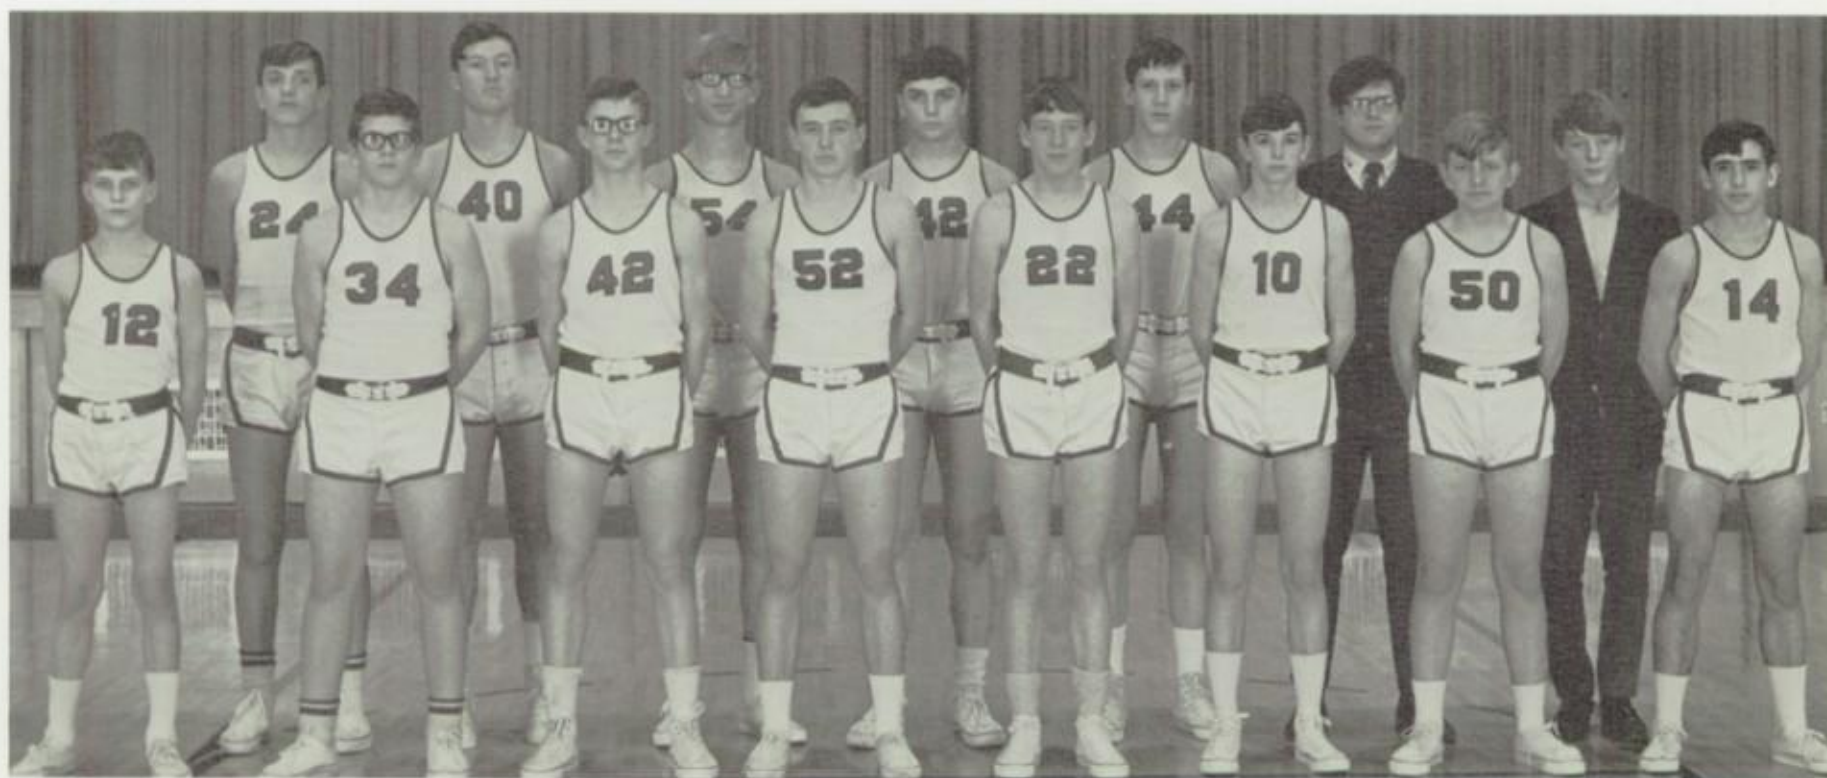

Frosh Gain Experience

Although the Frosh gained only four wins and nine losses, they did achieve valuable experience. With the potential they displayed and the experience gained, they will undoubtedly improve and develop into a winning team.

Bob Ringler, Randy Goon, Steve Roper, Alan Peters, Mike Gault, Steve Kramer, Terry White, Stewart Light, Mike Wesner, Ed Kemery, Denny Bates, Mr. Poorbaugh, Cliff Coffman, Gary Reynolds, Jim Copsy, Steve Plant—absent.

Jeanette Conwell, Linda Wyler, and Kathy Rickett (absent) were statisticians for the Varsity Basketball season. They helped coach Honeycutt retain all the information which he needed to instruct the team. Vickie Pyanowski, Ann Martin, and Delora Fausnight assisted coach Reynolds with the Varsity Track team. They helped the team by keeping the time, distance, and height records for each event. Kathy Rickett also helped Coach Reynolds during the Varsity Football season.

Jean Stokes, Bobbi Fisher and S. Gribben helped Coach Reynolds keep vital information for the football team. Debbie Case, Donna Steward and Jean Stokes assisted Coach Bear in his coaching of the J.V. team. The stats they record show the team just how they are doing. Jeanette Biddinger, L. Benner, and assisted Coach Poorbaugh with his freshmen team in keeping important information. Kathy Neikirk kept stats for the wrestling team. Helping keep records for the track team was Pam Reynolds. For the baseball team and Coach Honeycutt, Dennis Daniels volunteered his services as statistician.

Golf Completes Athletic Schedule

Golf, a new sport at Mapleton, was coached by Mr. Weyer. Ending the season with only win in 10 meets, next year's team will hope for improvement. Key men on this year's team were Seniors Lorin Lacy and Dennie Biddinger. The majority of the team members are underclassmen who will have a few years to gain experience and improve their game. J. Copsey, D. Schultz, R. Johnson, F. Brownson, G. Huffman, Coach Weyer, G. Smetzer, D. Biddinger, and L. Lacy. Dennie Biddinger (*above left*) listens as golf coach Weyer explains and shows proper form. Trackmen Complete a Highly Successful Season by Taking the FC

Blazing to a second consecutive Firelands Conference championship the Mountie track team sped to nine school records and a 9—0 dual meet ledger.

The Mounties reaped state-wide recognition as they stretched their string of dual meet victories to thirty in recording a second straight undefeated season.

In addition to garnering conference honors, the Mounties copped trophies at the Ashland College Indoor Relays, the Ashland Relays, the Triway Invitational, the Doylestown Invitational, and the Loudonville Invitational.

Although seniors Cliff Hickey, Mike Murtaugh, Bob Kerr, and John Predovic will surely be missed by Coach Reynolds next year, a fine nucleus of returning lettermen have set themselves three goals: (1) a third straight undefeated season, (2) a third consecutive conference title, and (3) a state championship! *TOP ROW*—Mr. Bear, Dan Naugle, Bill Schwan, Ed Kemery, Tom Hummel, Steve Kramer, Randy Miller, John Predovic, Bob Kerr, Carleton Jewell, Dick Steiner, Steve Badger, Coach Reynolds, Ron Bohland. *ROW 2*—Tom Blechschmidt, Jerry Claypool, Ken Pittenger, Dave Baker, Jeff Hickey, John Murtaugh, Stewart Light, Jerry Imhoff, Bob Bright, Harley Grim. *ROW 3*—Conrad Griffith, Louie Krieg, Jim Reynolds, Bob Simonson, Mike Murtaugh, Cliff Hickey, Larry Biddinger, David Britenbucher, Terry White. *OPPOSITE PAGE*: Mike and Jeff (*top right*) relax as they wait for the next race. as They Compile Another Impressive Record.

Mighty Mountie Men Go to State

John Murtaugh, Mapleton's premier miler, claimed glory for himself and his school by racing to a 4:25.8 clocking in the mile run to finish fourth in the state championship meet in Columbus.

Undefeated during the season, John set new district and regional meet records in qualifying for the state meet.

Baseball Team Shows Competitors Rugged Season

Mapleton's Varsity Baseball team finished the season with a 9—3 record. The season ended with a grand battle with Hillsdale for the southern division championship. Unfortunately, Mapleton came out on the short end of the play-off losing 5—1.

JV's Fight for Winning Season

Coached by Mr. Reinke, the Junior Varsity Baseball team ended their season with a 4—4 record.

The primary objective of the Junior varsity team is to gain experience and prepare for varsity play. This year's J.V. team showed the potential to develop into a fine varsity team.

Homecoming '69

Under the careful planning of the student council, the annual homecoming ceremonies were begun with the election of the Queen, Bev Moody, and her four attendants, Linda Hutchison, Shirley Gribben, Debbie Case, and Pam Reynolds. Last minute preparations were made and then on October 11, 1968, the exciting moment came with the pre-game ceremonies.

When the court and their escorts had been introduced before the enthusiastic crowd the marching band dedicated the song, "By the Time I Get to Phoenix" to Bev. She was presented with a bouquet of red roses from co-captains Lorin Lacy and Mike Murtaugh and she gave the game football to them. The ceremony was climaxed by the placing of the crown on Bev from last year's queen Ann Kline.

The Mighty Mounties ran away with the game from the kick-off play and easily downed the Western Reserve Riders, 23 to 8. Senior Cliff Hickey led in scoring to help Mapleton win another Firelands Conference game.

A good attendance and the victory spirit helped to make the dance, "Autumn Serenade", a great success with the Queen and her attendants reigning. Mr. David Vaas and the Ad Libs provided music to set the mood for dancing and to make it a memorable evening for all.

Work Day Promotes School Spirit

The first Annual Student Council Work Day provided students with the opportunity to express pride in their school. Students from all classes scrubbed walls, lockers and windows, relieving the janitors of part of the huge job of keeping MHS spic and span.

It's a Great Life for the Juniors

The Junior Class, under the direction of Mrs. Laura Bates and student directors, Tom Hummel and Linda Steiner, presented *It's a Great Life* on Friday, November 22, 1968, at 8:00 P.M.

The play centered around sixteen-year-old Tommy Wilson and his efforts to get away with impersonating a girl. Complicating matters arose which got him into some pretty touchy situations, which were mainly the result of his actor father, his meddlesome aunt, and his sister and her problems, both social and professional.

The cast included: Tommy Wilson, played by Steve Crist, Ted Stokes, Lee Christenson, Mr. Charles Wilson, Ed Shonkwiler, Mrs. Wilson, Roberta Fisher, Miss Gertrude Harris, Bonnie Lyndenmeyer, Mary Wilson, Debbi Jones, Marie George, Patti Saltsman, Wilbert Wiggins, John Murtaugh, Miss Billings, Treva Wright, Theresa Gant, Alicia Rowland; & "Muscles" O'Rourke, Ken Pittenger.

"Muscles" (right) falls for Tommy! Shirley and Linda (bottom left) prepare Steve for the role. Fellow actress Alicia (bottom right) adds last minute touches to Patty's hair.

Seniors Present Play-Within-a-Play

On April 11 and 12, the Senior Class presented a play-within-a-play entitled Curtain Call for Clifford. Clifford L. Mumford (Dave Bradford), the quiet, retiring brain of the senior class, suddenly found himself cast as the romantic lead in the class play opposite his secret love, popular Donna Bratton (who was already pinned to hero Biff Reese, Skip Smetzer). What happened to Clifford and Donna (played by Peg Canfield) behind the scenes of "The Ghost of Blackburn Manor" was hilariously comical, and the play in the end was a huge success. Mrs. Laura Bates was director, assisted by student director Shirley Clouser. Other members of the cast included: Miss Eda Troutliver, Delora Fausnight; Flooper, Julie McQuate; Mr. DeWilde, Mike Murtaugh; Joyce, Debbie Rife; Sidney, Don Bowen; Andy, Gary Goon; Jerome, Dennie Biddinger; Student I, Karen Kwiatkowski; Student II, Jerry Biddinger; Student III, Celia Riffle; Cheerleaders, Kathy Rickett and Jeanette Conwell; and extras, Linda Hutchison and Kris Ashton.

Mounties Win

The 1968-69 school year saw many students being recognized for their achievements. Lorin Lacy received an award for scoring a record 40 points during the Mapleton-St. Paul basketball game. Seniors Shirley Clouser and Mike Murtaugh were honored as "Teenagers of the Month" by the *Wooster Daily-Record*. Mr. Vaas and the 90-piece Mountie band received a unanimous superior rating at the state band contest held in April. Queen Bev Moody, escorted by Dan Moose, reigned at the homecoming festivities.

Sophomore Carol Leininger attained a superior rating for her project on genetics in mice at the State Science Day held in Columbus. Coach Jim Reynolds was chosen "Coach of the Year" by the *Ashland Times-Gazette* after the Mountie football team compiled a 7-2 season record. Mrs. Joe Glasser, home economics teacher, presented Celia Riffle with the Betty Crocker Homemaker of Tomorrow Award.

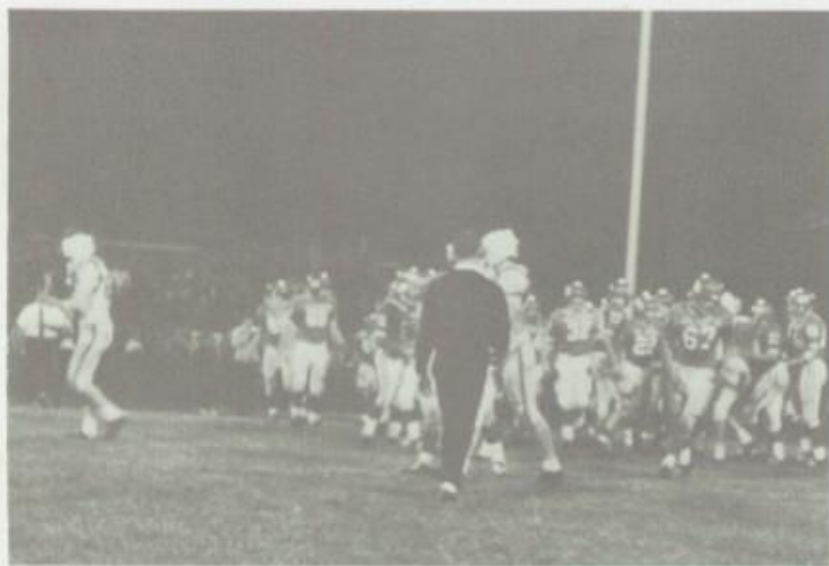

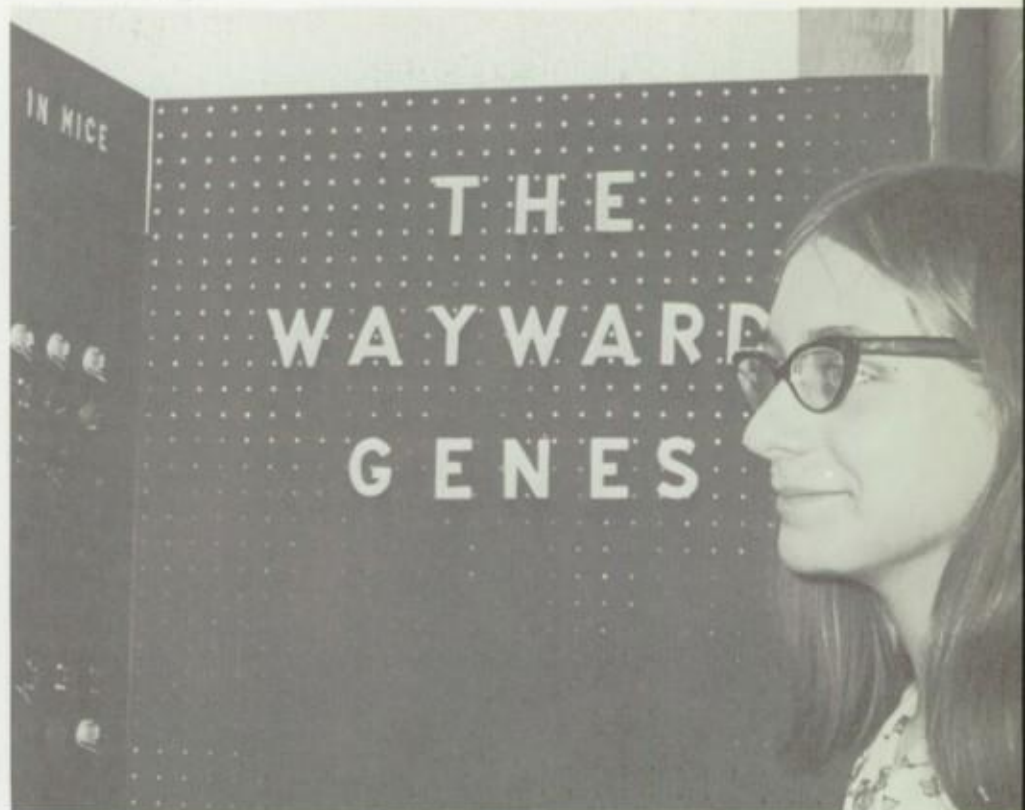

Honors and Awards

Seniors receiving scholarships to institutions of advanced education were: Mike Murtaugh, Celia Riffle, Linda Copsey, Barb Stentz, Tom Cline, Linda DeLozier, and Barb Tucker. Valedictorian Mike Murtaugh was the first student to attain a 4.0 average in the past four years. He was also a National Merit Scholarship Finalist. Nancy Zupan and Celia Riffle received commendation awards for their scores on the National Merit test. Chuck McCarty and Marie Bohland were presented with the Danforth "I Dare You" award.

Outstanding athletes were John Murtaugh and John Predovic, the first track team members in MHS history to reach the State finals, and Cliff Hickey, who received honorable mention on the All-Ohio football team.

Other students receiving awards for achievement were: Desiree Galazka, Gayle McClellan, and Patti Saltsman, original poetry; Barb Stentz, 8 years of perfect attendance; and Kate Brownson and John Murtaugh, first ranking in the district in Scholarship tests.

These students plus many others helped make this an outstanding year for Mapleton.

69'ers Cop Trophy for Second Year Straight

The Olympics were finally held this year on May 16, 1969, after being postponed several times because of wet weather.

Under the direction of the MHS Student Council, each class ('69, '70, '71, and '72) had a team composed of members of its class, which had to compete against teams and members of the other classes.

Events for the boys included the shotput, discus, 100 yard dash, 220 yard dash, 440 yard dash, mile run, 440 yard relay, 880 yard relay, 1/2 mile run, mile run, 2 mile run, low hurdles, high hurdles, long jump, & high jump. Girls' events included 50 yd. dash, 100 yd. dash, 220 yd. dash, 220 yd. relay, 440 yd. relay, broad jump, high jump, shot put and the discus.

When all scores had been totalled, the class of '69 had come out in front again, with a sum total of 91. The juniors were second with 48, the sophomores third with 45, and the freshmen fourth with 37.

1968-1969

A variety of assemblies were presented to the appreciative student body this year. Fourteen new members were inducted into the National Honor Society. They were: Nancy Smith, Jim Reynolds, Debbi Jones, Vickie Pyanowski, Nancy Zupan, John Murtaugh, Sandy Graham, Harley Grim, Barb Bohland, Barb Moody, Treva Wright, Ed Shonkwiler, Penny Steward, and Steve Crist. Seniors Linnie Lefever and Margaret Krause modeled native costumes during a special assembly about Java. At the awards assembly many students were honored, including physics students Mike Murtaugh, Celia Riffle, and Lorin Lacy for their achievement in the scholarship tests. Barb Stentz also received an award for eight years of perfect attendance.

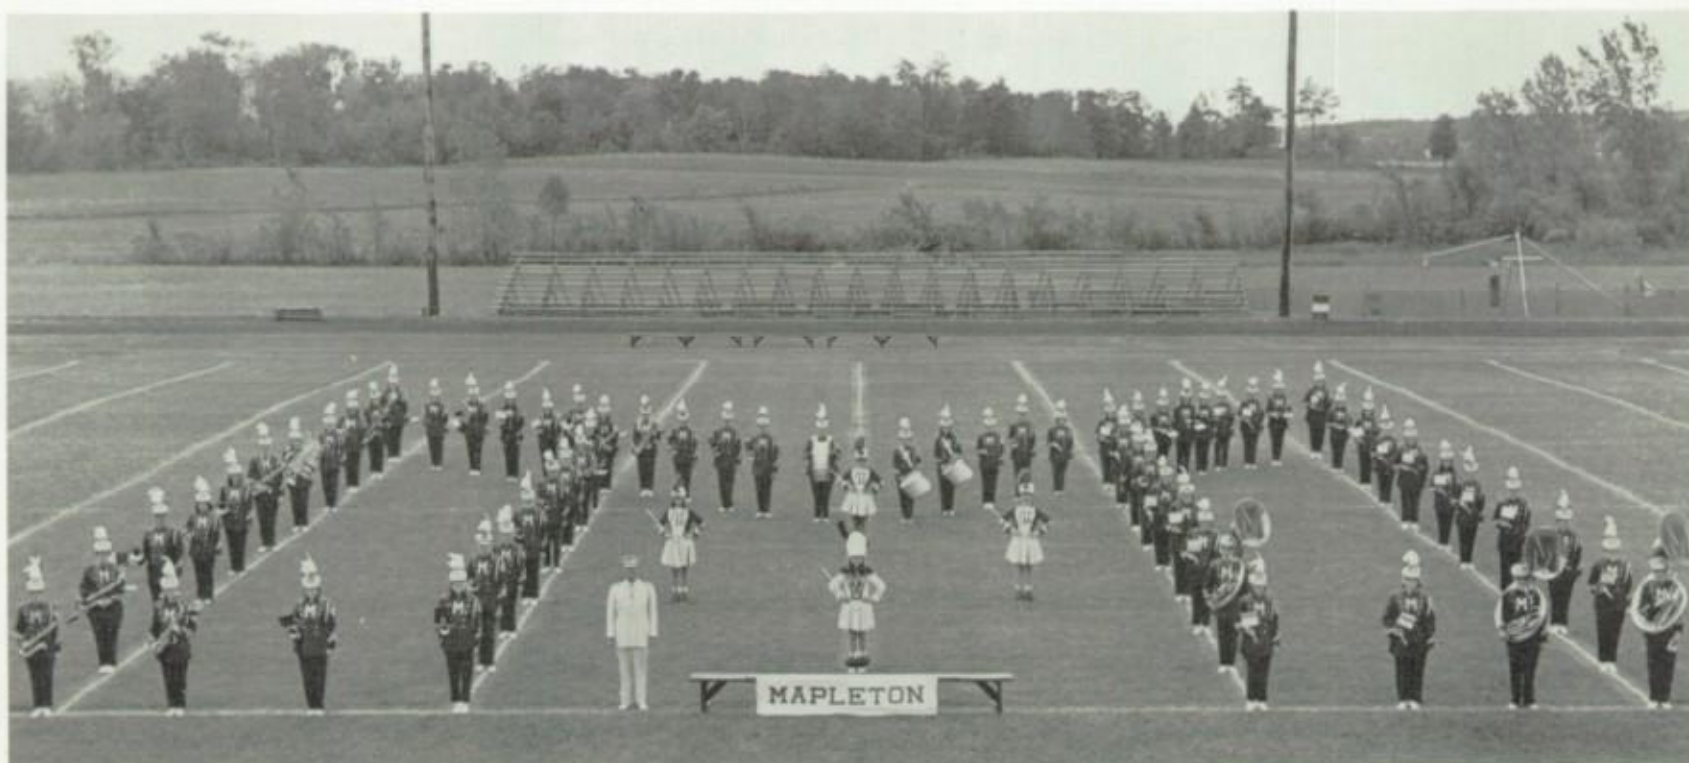

Assemblies

The Ushers Club provided valuable assistance in seating the student body at the assemblies. Wayne Hiller and Julie Weaver helped the magician perform his difficult rope tricks. There were several sports assemblies at which outstanding athletes were honored. Junior Randy Miller accepted the Most Valuable Player basketball award from Mr. Hay.

Other assemblies held during the year were: exchange concerts with the South Central High School choir and the Edison High School band, the traditional Thanksgiving and Christmas programs, a physical fitness assembly featuring a gymnast, a slave auction sponsored by the Student Council, and a concert by the Ashland College Choir.

BAND COMPLETES SUCCESSFUL YEAR

Highlights of the year for the band were marching during football season, the candy sale, the district and state band contests, and the Christmas and spring concerts. The year was ended by a trip to Milan and a banquet.

Choir Members Spend Many Hours Preparing for Performances

The choir members were kept busy throughout the year, preparing for their many performances. The first opportunity by the student audience to enjoy the choir was during the Thanksgiving assembly. The holidays brought about preparations for the Christmas concert. The new year found the choir busily practicing for the spring contest. Industry and diligence paid off because the choir rated a superior in the district choir contest and excellent in the state contest. Exchange assemblies with South Central required more preparations, as well as the spring choir concert. It was a busy year—lots of hard work, but rewarding.

The girls' ensemble and mixed ensemble entertained various community groups on many occasions.

Ensemble Members Sacrifice Free Hours for Practice

When people sign up for chorus at Mapleton, they can usually expect to become involved in numerous other activities that are in connection with it. This year, the ensembles included a girls (which received a superior rating at District-State Contest) and a mixed ensemble (which received a good rating). The ensembles also sang between acts at plays, and performed for the Retmen Club.

Soloists at contests included Barb Stentz (superior), Bonnie Lyndenmeyer (superior), Steve Crist (superior), Dennis Daniels (excellent), and Neal Girton (good rating) at District—State Contest.

The Ashland YMCA was the scene of the post prom. A breakfast held at the high school concluded a memorable evening.

A Farewell to Mapleton High

On Thursday, May 29, 1969, the final assembly of the students and faculty of Mapleton High School was—the Senior Farewell Assembly.

The class of '69 entered capped and gowned, processing to the music of Pomp and Circumstance, played by the Mountie band. Following the procession was the Pledge of Allegiance led by Vice-President Dwain Hochstetler.

The remainder of scholastic awards from the Awards Assembly were presented to the students, including honor roll pins and perfect attendance.

President Dennis Biddinger welcomed the assembly, followed by the introduction of honor graduates, and the "I Dare You" award.

The class history was then read by Julia McQuate and Shirley Clouser. The senior chorus sang Gonna Build A Mountain. Delora Fausnight and Dave Bradford narrated the class will, after which the senior band dedicated several songs to the MHS faculty.

Nancy Zupan and Peg Canfield relayed the class prophecy to the body, followed by the presentation by Shirley Clouser of the class gift (a P.A. system for the football field) to Mr. Butler, Principal. Mr. Camp remarked on his feelings toward the class of 1969, the Alma Mater was sung, and the seniors recessed to the music of War March of the Priests.

School from the Class of 1969

Date: June 1, 1969

Time: 8:00 P.M.

Object: Graduation

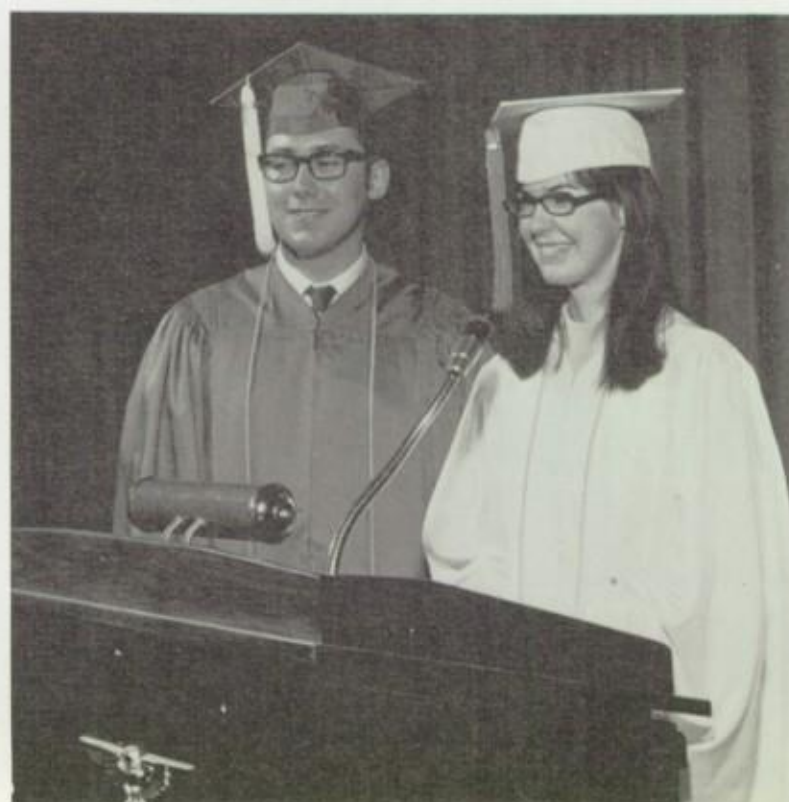

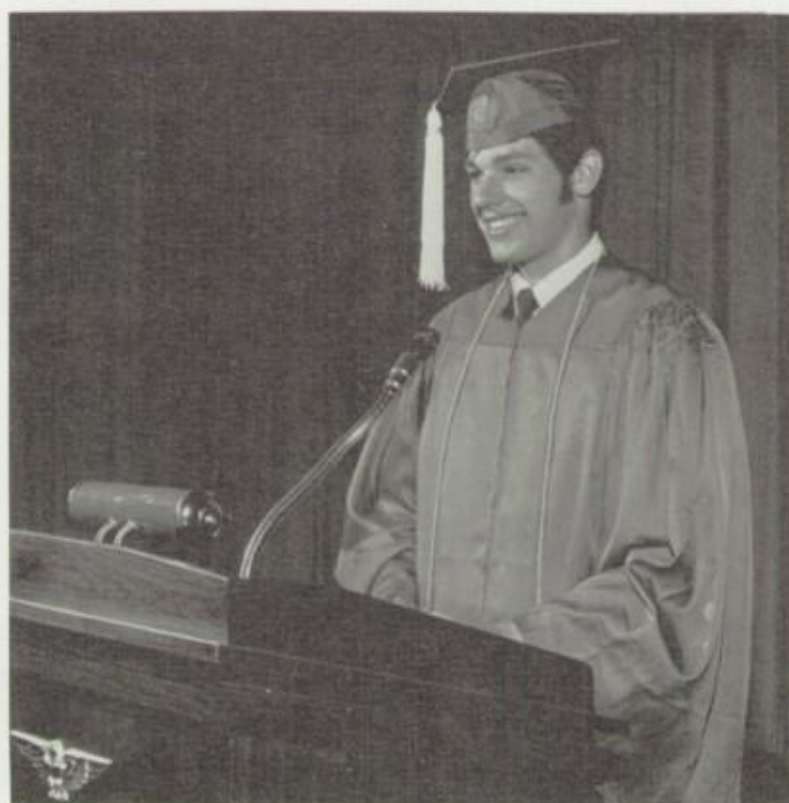

The seventh annual Baccalaureate and Commencement of Mapleton High School was held Sunday, June 1, 1969. The graduating class of 1969 made its final appearance as a whole at these graduating exercises. The Baccalaureate invocation was given by Rev. Ralston, followed by a vocal solo by Barb Stentz. Rev. Ralston then delivered the scripture and prayer, followed by the class sermon, given by Rev. O. Lloyd Hutchison. Musical selections were then sung by the high school choir, succeeded by the benediction (Rev. Ralston). After a choral response, the class recessed to War March of the Priests, by Mendelssohn.

Once more the Class of '69 lined up for exercises, but there was a different sense of excitement in the air. Seniors marched in for the last time, to the music Pomp and Circumstance played by the H.S. band. After the National Anthem and the Pledge of Allegiance, the invocation was given by Rev. Kean, and the welcome by Dennis Biddinger. A girl's trio sang some musical selections, followed by tributes to our parents, teachers, community, and country, by Lorin Lacy, Walter Payne, Celia Riffle, and Mike Murtaugh. Supt. Camp gave some remarks, followed by the presentation of the class and diplomas. Julie McQuate gave the farewell and the Alma Mater was sung by everyone. Rev. Kean gave the benediction, and the '69 graduation exercises were complete.

Mike Murtaugh (right) was Valedictorian, Celia Riffle and Walter Payne (bottom right) were Co-Salutatorians. Honor Graduates were (opposite page) J. McQuate, R. Streit, J. Young, L. Lacy, C. Active Student Council Members Raise \$200 for Project Hope:

"FALL FANTASY" was the start of the 1968-69 Student Council's activities. After the activities of Homecoming, the 28-member council decided to have dual-projects for the year and selected Project HOPE, a fund-raising activity for a medical ship (USS HOPE) that sails from port to port around the world, and the sponsorship of the Save the Children Federation, an annual clothing drive for the needy children and their families of Appalachia. In order to reach the \$200 goal set for HOPE, the group held a bake sale, several candy sales, and a Slave Auction, in which members of the council were sold to the highest bidder of the faculty and student body. Donations were also given to HOPE from students, faculty, and organizations.

A new tradition was started this year by the Student Council, also. The first annual Work Day was held in March. SC members, along with volunteer students of MHS gave the school a thorough working-over, including the washing of walls, lockers, woodwork, and windows.

The council ended the year with the direction of class elections for the 69-70 school year, and drafted a new Student Council Constitution.

The work of the Chevalier staff starts during the second week of school with the ad selling promotion. Then plans get under way for actual preparation of the book. This requires many hours of planning in order to get different ideas for pictures and new ideas for presenting the story of the school. The school photographer is busy from the first day of school until the last.

The Mapleton Chapter of the Future Farmers of America did well to represent MHS this year. Officers were: Dave Keener, Pres.; Jim Beattie, V-P; Jerry Beebe, Sec.; John Halada, Treas.; Tom Keener, News Reporter; Centinel, Don Beach; and Nick Crow, Student Advisor.

The wool judging team, dairy, general livestock, and agronomy teams went to state. The wool team (18th) and the agronomy (35th) received the highest ratings of the four teams.

FHA Girls Attend National Convention—a First at Mapleton

Although school started in September, the F.H.A. chapter held an executive meeting in August. The officers discussed and planned for the upcoming year and the booth at the County Fair which they received first prize for.

Jewell Clark was President, Bobbi Fisher, Vice-President, Louise Carpenter, Secretary, Shirley Gribben, Treasurer, and Nancy McClellan, SC Representative.

October brought the Fall County Rally in which they participated with a skit on "Leisure time, Constructive time."

Clearing \$600 on the candle sales started in November, it was declared a success and an outstanding effort on each girl's part.

With Christmas just around the corner the girls decided to make cookies for the Children's Home and present them while caroling for the Rest Homes and Children's Home.

Faithfully butchering all hopes of being well liked, the F.F.A. was invited to a Morals and Manners Matter panel discussion.

National F.H.A. week, from March 23 to March 29 was started off by attending Nankin Federated Church as a group. Group spirit was exceptionally high throughout the week.

The State Convention held April 11 and 12 was attended by Shirley Gribben, Gloria Bowersock, Nanci McClellan, Robin Pittenger, Bobbi Fisher, and Mrs. Glasser, choir representative, voting delegates, guests, Award of Merit representative and advisor respectively.

The Mother-Daughter banquet held April 16 at the Surrey Inn featured guest speaker Sallie Bates.

In May the Spring County Rally brought the Mapleton chapter pride and glory by Bobbi Fisher being elected County F.H.A. President and Diane Rogers, Secretary.

CLUSTER: Members include (top) C. Keener, S. Dull, D. Wingrove, Mrs. Glasser, M. Farner, G. Markel, S. Johnson, N. McClellan, B. Allen, J. Long, L. Carpenter, C. Griggs, M. Simpson, J. Clark, S. Future Teachers Examine Prospective Careers

Officers of the FTA were Margaret Krause, president, Tom Hummel, vice-president, Peg Canfield, secretary-treasurer, Delora Fausnight, S.C. rep., Sandy Graham, news reporter. The FTA gave students an insight on how a teacher plans his schedule, teaches his subject, and keeps discipline in the classroom. This year the members had two opportunities to experience teaching, National Education Week and on the local FTA Teaching Day.

Instructing baseball was a surprise to (student) teacher (*left*) Barb Samples on Teaching Day. Members (*below*) included; *TOP ROW*: Mr. Hay, G. McClellan, M. Krause, P. Canfield, D. Fausnight, and W. Payne. *ROW 2*: S. Graham, V. Wells, S. Beattie, V. Moyers, and K. Welch. *ROW 3*: S. Young, L. Vaughn, and B. Samples.

National Honor Society Membership Reaches 103 as 14 Are Inducted at Annual Ceremonies

Master of ceremonies Lorin Lacy (above) announces new members at induction. Margaret Krause (left) assists inductee Barb Moody (one-hundredth member) in signing NHS membership book. Members included (bottom) *TOP ROW*: M. Murtaugh, H. Grimm, D. Biddinger, T. Cline, D. Hochstetler, V. Pyanowski, T. Wright, B. Moody. *ROW 2*: Mr. Hay, J. Murtaugh, J. Reynolds, L. Lacy, J. McQuate, C. Riffle.

The two big events for the NHS this year, as in past years, were the Christmas Assembly and the induction of new members. The Honor Society passed the 100 mark in the membership book at its annual induction ceremonies, as 14 new members joined the group.

Future Nurses Prepare for Medical Careers

Under the direction of Mrs. T. H. Grafton, a Future Nurses Club was formed this year. The girls heard several representatives speak on the career of nursing, and broadened their knowledge on that field of medicine.

Officers were Linda DeLozier, pres.; Vickie Pyanowski, V-P; and Sharon Robinson, Sec.-Treas.

Members included (left): V. Pyanowski, D. Jones, L. DeLozier, Mrs. Grafton, S. Robinson, and R. Keith. A representative (below) talks to Roberta Jones on the opportunities of nursing.

Student Athletic Assistants Aid Coaches

The job of the Student Athletic Assistants is to provide clean towels for the phys. ed. classes and care for the athletic equipment. They must also keep the locker and training rooms in good condition and perform other valuable services for the coaches. These boys spend their free periods and lunch hours working in the training room. Coaches Honeycutt, Reynolds, and Weyer assign them plenty of tasks.

Student Athletic Assistants: Ron Bohland, Don Hootman, Don Lindcamp, Stan Reed, Larry Biddinger, Spencer Keener, Nick Crow. *SITTING*: Jerry Claypool, Phil Bohland, and Rick Hartley. Mr. Honeycutt was advisor of the group.

Librarians Participate in National Book Week

During National Book Week, the student librarians have a Book Fair, which gave students a chance to purchase books for their summer reading. Also, there was a fine free day, bookmarks were given, and the library was decorated to fit the theme of the week "Be All You Can Be—Read!"

Student librarians for the 1968-69 school year were: Desiree Galazka, Jonnie Martin, Linda Wyler, Vivian Stelzer, Pat Hartley, Penny Steward, and Wilma Smith. Mrs. Fair was advisor of the group.

Ushers Render Service Above and Beyond the Call of Duty

The Mapleton ushers were kept busy at every assembly and many other occasions. Their assistance helped students enter and leave the gym in an orderly manner.

Student ushers were: Robin Pittenger, Sylvia Johnston, Mary Jo Kinter, Julie Weaver, Melba Ayers, Linda Copsey, and Virginia Markel.

Varsity "M" Members Purchase New Track Warm-Ups

Officers for the Varsity M included Cliff Hickey, pres.; Lorin Lacy, V-P; Dave Lechiara, sec.; Julie McQuate, treas.; and Jim Reynolds, SC rep. The Varsity M sponsored many activities this year—candy sales, faculty football games, and school faculty basketball games. The members served for a mother-daughter banquet, and also provided entertainment for a few basketball games. The main goal of the club was to purchase new track warm-ups, which they did. Coach Honeycutt was advisor.

Selling points of the new school jacket style are shown to student (top left) by Coach Honeycutt. The faculty (top right) practices for the flag football game. Junior basketball players (center left) provide entertainment for the Mountie fans. President Cliff Hickey (center right) completes the pass, out of reach of the opposing player at Edison.

Members included (OPPOSITE PAGE): *TOP ROW*: G. Goon, N. Crow, Mr. Honeycutt, R. Miller, S. Reed. *ROW 2*: J. Reynolds, D. Hootman, B. Kerr, D. Baker, M. Krause. *ROW 3*: D. Steiner, F. Brownson, B. Journalism Class Takes on Mountie Messenger

For the first semester of school, the Mountie Messenger was put out by a sophomore English class. Then, in January, it was taken over by a newly formed Journalism class. As a group of volunteers who enjoyed writing, the class could devote *all* their time to putting out a newspaper. Through experimentation, they were able to produce a paper with pictures for the first time. Nancy Zupan was editor. Mrs. Speck was advisor.

CLUSTER:

The staff included (above) Mrs. Speck, S. Beattle, D. Edwards, W. Payne, D. Bradford, B. Stentz, B. Lindenmeyer, T. Hummel, N. McClellan, G. McClellan, D. Rife, N. Zupan, L. Christenson, and D. Bowen. Don and Nancy (below right) type up some last-minute stories, while Kathy (below left) proofreads a sports event.

CLUSTER:

Jonnie, Karen, and Melba (top left) prepare stencils for Mountie Messenger. The next step in preparation is for Julie and Jeanette (top right) to run off the stencils on the mimeograph. BOE members included (below): Mrs. Grafton, Asst. Advisor, J. Weaver, S. Begly, J. Clark, D. Morgan, L. Carpenter, B. Bohland, D. Schaum, S. Clouser, N. Smith, M. Ayers, S. Whitmore, D. Galazka, L. Wyler, J. Martin, V. Steltzer, K. Kwiatkowski, A. Rowland, B. Bartley, P. Saltzman, J. McQuate, J. Young, & P. Steward.

Under the direction of Mrs. Kathryn Hill, the junior and senior Business Office Education girls learned many interesting facts about the business world. Representatives from various schools gave talks on the opportunities available for today's secretaries, and the senior girls toured local businesses. Officers were Julie McQuate, Pres.; Janet Postle, V-P; Nancy Smith, Sec.; Dee Morgan, Treas.; and Barb Bohland, Student Council Representative.

Latin Club Holds Roman Banquet: Hail Caesar!

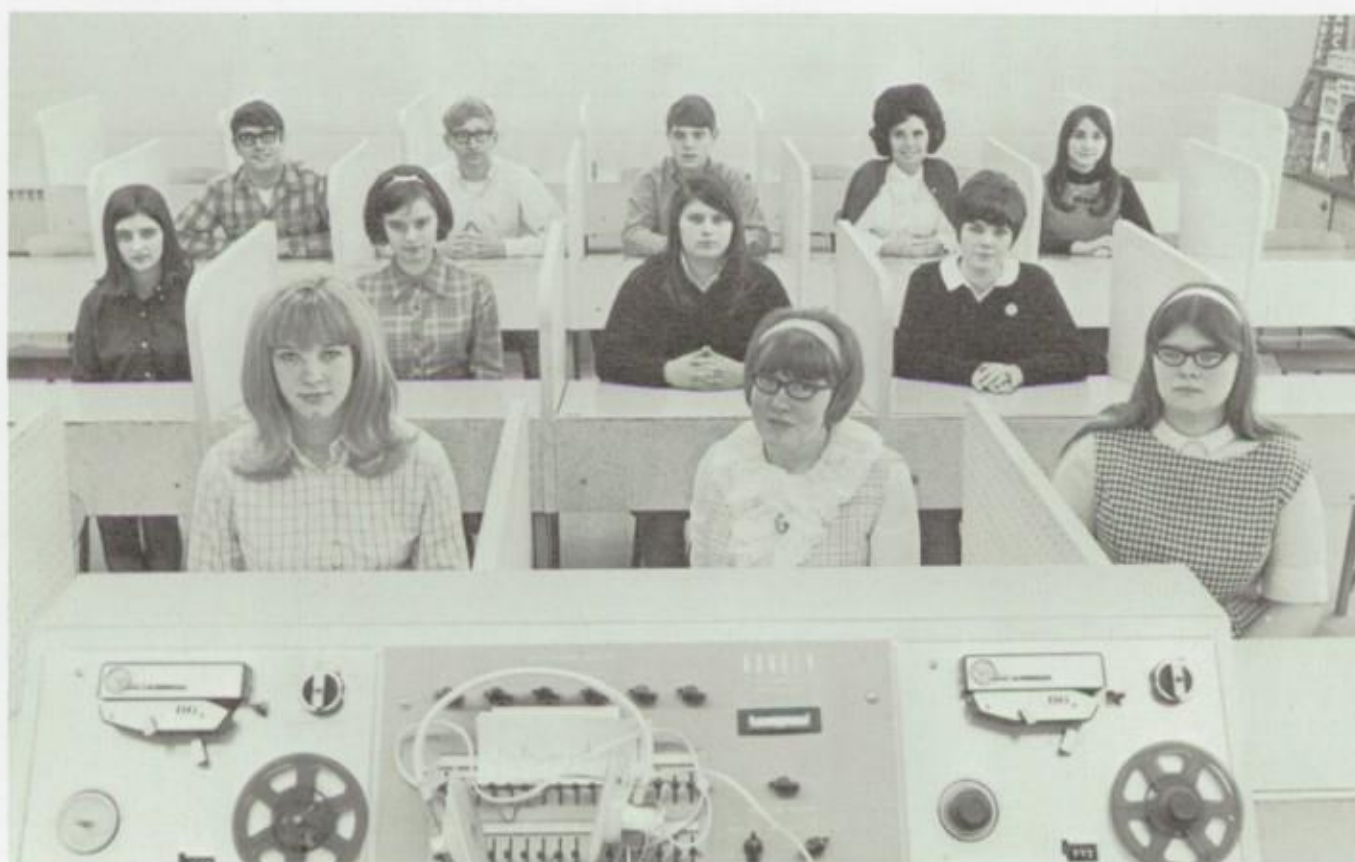

The Latin Club, under the supervision and aid of Mrs. Mary Nearhood, had a very active year, which was ended by a Roman Banquet, open to members of the club and of the MHS faculty. Preceding the banquet included such activities during the year as a slave auction and several candy sales.

Wrestlers (left) amuse interested spectators. George Huffman (center left) caters to the hungry "Romans". "Look what good muscles this slave has!" exclaims Auctioneer Nearhood as she attempts to sell (center right) slave George at auction. Participants *STANDING* (bottom) included: C. Jewell, Mrs. Nearhood, K. Shonkurler, L. Frazier, M. Lechiara, J. Blechschmidt, J. Keener, and M. Maiken. *SEATED*: M. Lacy, C. Eby, C. Leininger, M. Murtaugh, M. DeLozier, G. Huffman, and K. Neikirk, at the Roman Banquet.

French Students Constitute Club

The 1968-1969 French Club was under the supervision and direction of Mrs. Mary Nearhood. The club was formed for currently enrolled students of French I, French II and past students of French. Money-raising activities included candy sales, etc.

Cashiers Join in Cafeteria Operations

The Cafeteria workers provided a valuable service for MHS. They helped with the preparation of lunches and aided in the clean-up of the lunchroom and kitchen. This year, cashiers were added to assist in one more phase of the noontime operations, also.

Tom Wittman (below left) prepared for hungry students. Cashiers (below right) included J. McQuate, M. Ayers, T. Beninghof, S. Millheim, and J. Clark. Cafeteria workers included (bottom): D. Smith, K. Kwiatkowski, C. Griffith, D. Schaffer, T. Wittman, D. Edwards, D. Lindecamp, J. Postle, J. Wittman, M. Ayers, B. Eichelberger, B. Allen, D. Wittman, and R. Briggs.

Art Club Aids Faculty in Preparation of Display Cases

Mapleton's artists, under the direction of Mrs. Anne Shenberger, not only aided the MHS faculty in the making of displays for the cases this year, but assisted others during the year also. During the fall, the Mountie band called for help in making signs and props for the half-time shows, and the hall windows were colorfully and artistically covered with holiday pictures at the different times of the year.

Officers were Jeanette Biddinger, President;

CLUSTER:

Members (top left) included: T. Beninghof, J. Biddinger, S. Light, P. Farner, J. Young, N. Shaum, & P. Stelzer. Teri and Jeanette (above right) add finishing touches to front hall windows. Marcia Lechiara (bottom right) gives Snoopy a mark of distinction.
